### An Open Letter to the Public FROM A WELL-KNOWN DRUGGIST

To Whom It May Concern:  
Of late there has been a good deal of discussion in regard to advertised medicines and their value. We want to say to every man, woman and child in this vicinity that the most valuable preparation of cod liver oil, the best tonic, restorative, health restorer and strength-giver we have ever sold in our store is Vinol.

Vinol is not a patent medicine; it contains no injurious drugs, and it actually does contain all of the medicinal curative elements of cod liver oil, taken from fresh cod's livers, but without a drop of oil, and is delicious to the taste.

Vinol is recognized throughout the world as the greatest strength-giver for old people, weak, sickly women, children, nursing mothers, and after a severe sickness.

Vinol cures hacking coughs, chronic colds, bronchitis and all throat and lung troubles. Unequalled to create an appetite, and make those who are too thin, fat, rosy and healthy.

Vinol is sold on a positive guarantee. Call and get a Vinol bottle.

## BLACK-DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowyer and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If you do not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHESTER, GA., Jan. 20, 1905.  
Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 25 per cent better.

### Taken With Cramps.

Wm. Kirmse, a member of the bridge gang working near Littleport was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that he had to have five members of the crew wait upon him and Mr. Gifford was called and consulted. He told him he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around next day. The incident speaks quite highly of Mr. Gifford's medicines. Elkader, Iowa, Argus.

This remedy never fails. Keep it in your home, it may save life. For sale by Pope Drug Company.
