

It's Poor Economy to Endure a Bad Back

In these days of rising prices, we need every ounce of strength and the ability to do a full day's work every day. The man or woman with weak kidneys is half crippled. Sore, aching kidneys, lame, stiff back, headache, dizzy spells, a dull, tired feeling and urinary disorders are daily sources of distress. You can't afford to neglect kidney weakness and make it easy for gravel, dropsy or Bright's disease to take you. Get a box of Doan's Kidney Pills today. They have helped thousands. They should help you.

Personal Reports of Real Cases

A MISSISSIPPI CASE.

Mrs. J. A. Shute, 621 Main St., Greenwood, Miss., says: "My kidneys became disordered and I was all run down. I had awful pains in my back and always felt tired and worn out. My body bloated and my sight became so bad I could hardly see. After using Doan's Kidney Pills I was rid of the pains in my back and all the other trouble. I gained wonderfully and got back my strength. I have felt fine ever since."

A TENNESSEE CASE.

Dr. A. Battie, dentist, Jefferson St., Brownsville, Tenn., says: "About eight years ago I was troubled a great deal by weak kidneys. The kidney secretions were too frequent, scanty and painful. My back ached terribly and sharp pains went through me every time I stooped or lifted. Doan's Kidney Pills made me well and I have never been bothered since. The entire credit for my cure belongs to Doan's Kidney Pills and I am glad to say the cure has lasted."

That Was Different. "I want," said the grim-faced commander, "a dozen men who will give their lives for their country." The entire regiment stepped forward. The commander selected twelve.

"Now," said he, "you are to hold this position until you are wiped out."

"But we shall be killed!" quavered one.

"Did you not volunteer to give your life to your country?" asked the commander sternly.

"Oh, life!" I thought you said, "wife!"

A Timely Reminder. "I'm going to town this morning," said Mrs. Twobble, at the breakfast table.

"Well," replied Mr. Twobble fretfully, "what about it?"

"I expect to get some little things." "Permit me to offer a suggestion, madam. Be sure that the prices of those 'little things' are not out of all proportion to their size."
