

Our First Year

In the Drug business in Waxahachie has been a very successful one—in fact far beyond our expectations. We do not claim all the credit, though, for it was your patronage that really did the business. We merely worked hard to make this a good store, and did all in our power to give entire satisfaction.

Our Prescription Dep'm't

(Our greatest pride) is in charge of a graduate of one of the best colleges of Pharmacy in this country, and he is thoroughly trained and experienced in the handling of medicines. No matter who writes your prescription or on whose blank it is written, it will be filled exactly as it should be. In every other department of this store we are prepared to give exceptional service, and if you are not already on our list of SATISFIED PATRONS, we want you to give us a share of your business this year. With best wishes for a happy and prosperous New Year, we are yours for Progressive Pharmacy.
