The Mason Case.

The evidence in the case of the state against George Mason, who is on trial on a charge of theft from the person and robbery, was concluded this morning at 8:30 and the argument begun. Assistant County Attorney McRae spoke first for the state and was followed by the defendant. When court reconvened this afternoon at 1:30 County Attorney Farrar began the closing argument.

Tried for Lunacy.

Mrs. Mattie A. Lagrone was tried in the county court this morning on a writ of lunacy. The jury adjudged her to be of unsound mind and recommended that she be sent to the asylum at Terrell. Mrs. Lagrone is violently insane and requires the constant attention of two persons.

Beautiful Clear Skies.

Herbine exerts a direct influence on the bowels, liver and kidneys, purifying and strengthening these organs, and maintaining them in a normal condition of health; thus removing a common cause of yellow, moth, greasy skin and more or less of pimples, blotches and blackheads. 50c at Hood & Martin's.

At the Opera House Tonight

Lincoln J. Carter's latest dramatic surprise, "Her Only Sin". Among those engaged in the cast is Miss Julia Gray, the coming young actress who in emotional roles has few equals. Miss Gray has a classic pose with large, brown eyes, beautifully shaded deep lashes and her whole figure and carriage stamps her as a lady of refinement and much delicacy of feeling. Her work in this play is entirely emotional and she plays the part with much animation, spirit and dramatic force. In arranging this play and getting it on the road Mr. Carter spared neither pains nor money in making it one of the strongest companies touring the South this season. All lovers of heavy sensational scenes and dramatic art should not miss this beautiful melo-drama in four acts, entitled "Her Only Sin."

Farmers at Italy.

The regular monthly meeting of the Ellis County Farmers' Institute was held at Italy today. There was a large attendance and a most interesting program was carried out. This was one of the most important meetings of the farmers this season, as the chief question for consideration was the buying of seed for next year's planting. One of the principal addresses at this meeting was delivered by Prof. J. D. Coglan of Midlothian. Prof. Coglan spent last night in the city and went to Italy this morning with the Waxahachie delegation.

Those who attended from this city and vicinity were: Col. Jas. Davis, president of the institute, B. D. Hudson, O. A. Finley, F. J. R. Davenport, Capt. W. A. Boyce, C. L. Kidd, Bruce Ranson and J. M. Lancaster.

Best Liniment on Earth.

I. M. McHaney, Greenville, Tex., writes, Nov. 2nd, 1900: "I had rheumatism last winter, was down in bed six weeks; tried everything but got no relief, till a friend gave me a bottle of Ballard's Snow Liniment. I used it, and got two more bottles. It cured me and I haven't felt any rheumatism since. I can recommend Snow Liniment to be the best liniment on earth for rheumatism." For rheumatic, sciatic or neuralgic pains, rub in Ballard's Snow Liniment, you will not suffer long, but will be gratified with a speedy and effective cure. 25c, 50c and \$1.00 at Hood & Martin's.

Meeting of the Teachers.

The teachers of the Waxahachie public schools held their regular monthly meeting at the Park school building this morning. Several papers showing much thought and preparation were read upon professional and historical subjects. The last feature of the program was a spelling match in which fifty words selected by the superintendent were spelled by the teachers with varied success.

ELLIS COUNTY COTTON CROP

Believed an Average of Half a Bale Will be Made.

The Ellis county cotton yield is turning out better than the pessimistic guessers early in the season predicted. According to estimates made by men who have been over a great deal of the county the average yield will be near one-half bale to the acre. The farmers have taken advantage of the fair weather of the past two or three weeks and picking has made rapid progress. A large number of farmers have about finished picking and the demand for pickers is not so great as it was two or three weeks ago. In some sections of the county, especially where fields are located in creek bottoms, the crop did not mature early and picking is just now in fair progress. Despite the fact that the cotton in these fields has been slightly injured by worms and weevils it is believed that an average yield will be made.

It is confidently believed that the county's yield will be in excess of last year's crop. At the different towns in the county where cotton is bought the receipts are reported to be ahead of what they were at the same date last year. At the close of business Wednesday afternoon the two yards in Waxahachie had weighed 16,292 bales and 1,879 bales had been received at the round bale gin, making a total of 18,171 bales for the season. On October 31 of last year the total receipts numbered 11,601 bales and on the next publication of the receipts, December 12, 14,857 bales had been weighed. For the past few weeks the compress has been taxed to its fullest capacity and during the season more than 25,000 bales have passed through its presses.

The high prices that are being paid for the staple are not only stimulating fast picking, but are inducements for the farmers to pick their fields cleaner than has been the usual custom, as they are anxious to realize every pound that is possible while the price is up.

A Dangerous Month.

This is the month of coughs, colds and acute catarrh. Do you catch cold easily? Find yourself hoarse, with a tickling in your throat and an annoying cough at night? Then you should always have handy, a bottle of Ballard's Horehound Syrup. J. A. Anderson, 354 West 5th St., Salt Lake City, writes: "We use Ballard's Horehound Syrup for coughs and colds. It gives immediate relief. We know it's the best remedy for these troubles. I write to induce other people to try this pleasant and efficient remedy." 25c, 50c and \$1.00 at Hood & Martin's.

Weather Forecast.

Tonight and Sunday unsettled weather; probably showers and colder tonight.

Friday, max. 88, min. 43.

At the Opera House.

Wednesday, Nov. 25, Mr. Chas. B. Hanford, the greatest actor ever seen in Waxahachie, will present that sensational melodrama "The Taming of the Shrew." See what the Eastern papers say about Mr. Hanford.

Mr. Hanford's engagement in York, Pa., occurred during the meeting of the State Medical Society in that city, and a visit to the performance of "The Taming of the Shrew" was made a special feature of the entertainment provided by the local medical society. The doctors with their wives and friends occupied the seats of about half the lower floor of the opera house while the other portions of the theatre were filled with York patrons of the opera house, the whole forming an unusually large and fashionable gathering.

This will positively be the greatest event of the Waxahachie opera season. Secure your seats before they are all sold. Now on sale at Fearis' drug store. Prices 50c, 75c, \$1.00 and \$1.50.

Corn! Corn! Corn!

I will take orders for corn delivered at 45 cents, wagon load lots, this month's delivery. Next month 40 cents. No order accepted at this price that is not phoned me Saturday, 14th. Old phone 75; new 50. D. H. Thompson.
