G. M. Kelley, a Kaufman contractor, was in the city Saturday to look at the church being erected by the Cumberland Presbyterians. The Baptists of Terrell have awarded a contract for the erection of a new church on the same plans, and Mr. Kelley was here to secure points on its construction.

A. J. Curlee, of the firm of Curlee & Fleming, owners of Judge Dunlap and a number of fine jacks, said Saturday morning that the people of Ellis county would raise more fine stock this year than ever before. Mr. Curlee owns a three-year-old colt, Rippling Brook, which paced a mile in 2.19 1/4 Friday afternoon at the speedway. The last half of the mile was paced in 1.07 1/4. Mr. Curlee says this is the best record ever made on a track in Waxahachie by a horse of that age.

A Sure Thing.

Thousands can testify to that. Mrs. C. B. Van Metre of Shepherdstown, W. Va., says: "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by Thomas & Moore, Druggists. Trial bottles free. Regular sizes 50c. and \$1.00.

The Meeting.

The meeting at the Main Street Christian church will continue for a few days longer. There were two good audiences yesterday who listened to excellent sermons from Evangelist Fannon. Two persons united with the church yesterday. Tonight Mr. Fannon will answer a question asked by a lady: "If husband and wife are members of different churches, should the wife go with husband, or the husband with the wife?" You are cordially invited to hear this practical sermon.

A Startling Test.

To save a life, Dr. T. G. Merritt, of North Mehoopany, Pa., made a startling test resulting in a wonderful cure. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them.
