Dainty and Graceful

The Pendant Necklaces
are a charming fashion-
fancy. Thin, almost
thread-like chains, hung
with lovely little pend-
ants of semi-precious
gems. These are an ex-
tremely graceful adorn-
ment for My-Ladies
neck.

The color combinations of the
settings of various hues are
strikingly artistic.

M. W. Walker
The Fashionable Jeweler

returned from Chicago, Ill., where he
took a six weeks' post graduate
course in a medical college of that
city. Dr. Diggs has been a resident
of Waxahachie some three years and
has a good practice among the col-
ored population here. tf

D. L. Nichols a few days since the
Light was in error as to his having re-
covered sufficiently to return to
work. Mr. Nichols had done no work
since last fall, and we are advised
that at no time had he been em-
ployed at the cotton mills. tf

If every business house in Waxa-
hachie would contribute the small
sum of 25 to 50 cents a week for
street sprinkling in Waxahachie,
there would, henceforth be no such
thing as dust to mar the pleasure of
those who come to town such days
as this shopping. How many are
ready to help keep down the dust? tf

Among the many new residences
erected in the city last winter was
one built by W. W. Walston on Mar-
vin avenue near the home of Dr. J.
C. Fears. Charley Alexander also
erected a handsome cottage near
that street on part of a lot bought
from Former District Clerk Cooper.
Mr. Alexander's house was built for
rent. tf

Col. B. F. Spalding yesterday re-
ceived a letter from Mrs. Spalding
at Corpus Christi saying she would
leave there that day for San Antonio
to see the president and attend
the Rough Riders' reunion. She
added in her letter that Mr. Spald-
ing's brother and wife who were with
her would remain there several
weeks longer, as the fishing season
was just opening up in earnest. tf

Mr. and Mrs. O. W. Crockett will
leave some time soon for Nashville,
Tenn., where they will in the future
reside. Mr. Crockett recently traded
his home in West End to Captain M.
T. Patrick for a residence he owned
in Nashville. Mr. Crockett owns
several hundred acres of land in the
county which he will retain. He is
a native of Tennessee and Mrs.
Crockett's former home was in Nash-
ville. tf

Mr. E. Chaska is having laid in
front of his residence and on either
side a substantial cement sidewalk.
When completed he will have the
finest walks in the city. The sidewalk
is six feet wide and the one leading
up to the front porch of his residence
is equally as wide. Mr. Chaska is
spending quite a sum of money in
beautifying his premises but his
handsome home justifies the expense. tf

other diseases combined. They are
humanity's weak spot—the breeding-
place of consumption. When the
slightest symptom of trouble is felt
in the lungs you should begin the

THE DUNLAP RIFLES.

Receive Orders to Go to Fort Worth
as Escorts to President.

Henry N. Anderson, captain of the
Dunlap Rifles, has received orders
from Governor Lanham to proceed
with his company to Fort Worth to
join other companies as an escort
to the president tomorrow. Captain
Anderson has been busy today noti-
fying the members of the company
to report for duty. The company
will leave for Fort Worth tomorrow
morning over the Central at 6:30
and will return on the night train.

Objected to the Clawhammer.

Judge O. E. Dunlap, president of
the Citizens National Bank, tells of
an amusing incident that came to his
notice at Dallas Wednesday. Accord-
ing to the story as told by Judge
Dunlap a prominent cattleman of
Northwest Texas was invited to the
banquet tendered President Roose-
velt at the Oriental hotel Wednesday
night. Some time during the day the
cattleman approached Sloan Simpson,
the master of ceremonies, and filed
a protest against wearing a dress
suit. He said he had never worn
a clawhammer coat in his life and
didn't propose to begin then. He
was told by Mr. Simpson that unless
he wore the regulation suit he could
not gain admittance to the banquet
hall. The aforesaid cattleman said
if he wore the suit they would have
to back him up in a pen like they do
cattle on the plains at branding time
and force it on him. After a lengthy
parley with Mr. Simpson the ranch-
man finally consented to don the
suit, and when the banquet was served
he appeared at the table with the
air of a Chesterfield. tf

The Amount We Eat.

We live not by the quantity we
eat, nor the variety, but by what
the system can utilize. No matter
how good or plentiful your food is,
it starves the system unless your di-
gestion is good. So make certain
that your food is properly digested,
by taking a dose of Green's August
Flower before or after meals. It will
not only aid digestion, it will stir
the liver to regular habits, sweeten
the stomach and prevent constipa-
tion. Trial bottle 25 cents. Big
bottle 75 cents. Sold by B. W.

HAIR NATURALLY ABUNDANT

When It Is Free of Dandruff, It Grows
Luxuriantly.

Hair preparations and dandruff cures,
as a rule, are sticky or irritating affairs
that do no earthly good. Hair, when not
diseased, grows naturally, luxuriantly.
Dandruff is the cause of nine-tenths of
all hair trouble, and dandruff is caused
by a germ. The only way to cure dand-
ruff is to kill the germ; and, so far,
the only hair preparation that will positively
destroy the germ is Newbro's Herpicide—
absolutely harmless, free from grease,
sediment, dye matter or dangerous drugs.
It always itching instantly, makes hair
sleazy and soft as silk. "Destroy the
cause, you remove the effect." Sold by
leading druggists. Send 10c. in stamps for
sample to The Herpicide Co., Detroit,
Mich. tf
