Resolutions Adopted.

Whereas, At a congregational meeting of the First Presbyterian church of Waxahachie, Texas, held on Sunday, Sept. 20, 1908, said congregation did upon the request of the pastor, vote to concur with him in his request to Presbytery that the pastoral relations be dissolved, that he might accept the position of Home Mission Evangelist of this Presbytery, to which he was elected by the committee, and

Whereas, Rev. Leonard Gill, having been our pastor only since Jan. 1, 1907, yet during these few months, by his unceasing efforts our membership has grown from ninety-four to one hundred and sixty-four—the spirituality and zeal of our members being increased—all departments of the church taking on new life, and the church building having been thoroughly overhauled and refurnished at quite an expense, together with having a pipe organ installed, therefore be it

Resolved, That we as a congregation deeply deplore the loss which we are to sustain in parting with our true and tried shepherd.

Resolved, That we are keenly sensible of our loss, and it is with sincere regrets that we see this energetic, self-sacrificing, capable and earnest man of God go from us.

Resolved, That we are truly indebted to him for the work which he has accomplished in our midst, though at times having great and serious obstacles to overcome.

Resolved, That we regard it a privilege to acknowledge our appreciation and love for him—our genuine belief as to the purity and goodness of all his motives—and to the high and noble qualities of this christian gentleman.

Resolved, That wherever his lot may be cast, he and his family shall ever hold a warm place in our affections, and be remembered in our prayers.

Resolved, That a copy of these resolutions be spread upon the pages of our church record, a copy sent to the "Christian Observer" and a copy placed in the hands of Rev. Leonard Gill.

The Most Beautiful Flag.

In a village school in the Acadian region of Nova Scotia the young lady teacher, who was from a portion of Canada more remote from the United States than the section she was in, was on one occasion preparing for a little celebration of empire day. Calling one of the boys, she gave him a coin and said to him:

"Take this, please, and go out and get us the prettiest flag you can find." She had no idea, of course, of his procuring anything else than a British flag, and her astonishment was great, therefore, when the boy came back with a small edition of the stars and stripes.

"What have you there?" the teacher asked sharply. "Did you suppose I sent you for anything else than the flag of your country?"

"Why," answered the boy, "you told me to get the prettiest flag I could find, and there was nothing else so pretty as this!"

The boy's judgment was unprejudiced, at any rate, for he was a Canadian.
