PERSONAL NOTES.

The coal man has had a cinch today. Overcoats have been in order today. E. D. Lackey of Crockett is in the city. C. Roe Hall went west on the noon train. J. B. Spencer was in Marshall yesterday. S. C. Vandevender is reported seriously sick. W. H. Nance came in from the west this morning. P. H. Hughes returned home this morning from Rusk. Rev. Steve Burk of Rusk arrived in the city on the morning train. It takes a good rainfall to wash off our paved streets beautifully. Considerable cotton has been coming in today, in spite of the rain. This is more like winter time, and the moisture is good for sowing turnips. A big portion of the I. & G. N. shop force was laid off for half a day yesterday. Supt. Joe Russ of the Pacific Express company, with headquarters at Dallas, was in the city this morning. Mrs. Wm. Stedman arrived from Palestine this afternoon on a visit to her son, G. P. Stedman, and wife.—Marshall Messenger. Mrs. H. D. Wood went to Tyler yesterday afternoon, to visit her sister, Mrs. Nelson, who with her husband will soon move to Oklahoma. FOR RENT—Nicely furnished room for one or two gentlemen. South Sycamore street; close in. Address, P., Herald office.

Mrs. A. R. Covert left this morning for Troupe to accompany Mr. Covert's mother, who was on her way to Palestine to visit friends and relatives.—Tyler Courier.

The reader's careful attention is called to the letter of Hon. B. F. Rogers published in today's paper. This is a most important matter, and every man should so regard it.

J. F. Weeks of Palestine was here between trains this morning, on his return from Rusk. Miss May Campbell of LaRue visited friends here last night and went to Palestine this morning.—Jacksonville Banner.

You need these cool crisp mornings to begin with a nice appetite tickler, such as our premium hams and breakfast bacon can give. You can buy the stuff for a first-class breakfast here, and the place is Temple's, you know. Temple is the popular grocer, and his is the up-to-date store. You had better see Temple about it.

Speaking of the Circus Beautiful, do you know the Grocery Beautiful wouldn't be a bad name for Green & Maffitt's house. Their line of goods are the highest grade, and the goods are naturally beautiful. With all the pretty cakes and crackers in bulk and boxes of various hues, the fancy bottles of sauces and catsups, etc., the variety of canned goods, and the rich, ripe fruits we carry, why shouldn't it be the Grocery Beautiful. But the climax to it all is the goods for the money. We guarantee to give you satisfaction.

Our Coffee Assortment:

The "Alamo." Flaut Blend. Club House. Panther. Santos Peaberry. National Mocha and Java. Blanke's Milk Pail. Blanke's Exposition. Blanke's Labelle. National Excelsior B. National Excelsior C. The Starr Brand. McLaughlin 1 pound package. Arbuckle 1 pound package. The above are our roasted coffees. We head the list with Alamo. Alamo is king. Try it. Hooker & Co., Sole Agents.

Stove pipe at the Bargain Store for 10 cents a joint. 10-17-6t

Hustling for Business.

The News, a weekly paper printed at Henderson, Rusk county, comes to us this week a twelve page paper, and containing 60 columns of advertising matter. Every important Henderson firm has from a quarter to a page ad., and they are all talking business.

Editorially, the News declares the streets are so full of cotton and farm wagons every day that it is difficult to cross them.

Those people know how to go after business and how to get it. You can tell a live, hustling town by the papers it prints.

Area of Our Coal Fields.

It is estimated by experts that the area of American coal fields, at present open to mining, is more than five times as great as that of the coal fields of England, France, Germany and Belgium; the great coal producing countries of Europe. While practically all the available coal areas of those countries have been opened to mining, ours have scarcely been estimated. When we take into consideration the fact that coal is one of the great motive powers in the manufacturing world, it is evident that this immense wealth of coal will be of such an advantage to the United States as to be beyond any man's calculation.—From "Success."

If you want a sewing machine that will give you satisfaction and will last you a lifetime, get one of the latest improved Singers at the Singer store, Main street, next to Patrick's drug store, Palestine.

FRANKSTON.

Special Correspondence.

FRANKSTON, Oct. 25.

Dear Herald:—Here I come after a long absence to try to give you a few dots from this end of the county.

Health is very good as far as I know.

Most every one is through gathering cotton, and all are making up their ribbon cane into syrup.

On last Sunday at 11 o'clock Mr. Lewis Cook and Miss Alice Richardson were married at the home of Rev. Bourland. From there they went to Joe Beard's for dinner, then went to Mr. Gouger's, near Neches. They were accompanied by Lee Jowell, Miss Mary Beard, Troy Griffin, Miss Cynthia Beard, John Beard, Miss Tina Jowell, Boss Levassar, Price Mitchell, Ed Richardson, J. C. Beard and Ebb Bourland. There they took supper, which they said was fine. After thanking Mr. and Mrs. Gouger and their daughter, Miss Addie, they left for their home at 7:30 o'clock.

Mr. Frank Morris of Palestine was here Saturday, shaking hands with the people.

John Beard and Ebb Bourland left for Navarro county Tuesday

Her Prayer.

The Buffalo News tells a story of a four-year-old girl who was spending the night away from home. At bedtime she knelt at her hostess' knees to say her prayers. Finding Mrs. B. unable to help her out, she concluded thus: "Please, God, 'cuse me; I can't remember my prayers, and I'm staying with a lady that don't know any."

Fresh Cranberries.
