DISTRICT COURT MET HERE THIS MORNING

District court for Anderson county convened in regular fall session this morning, with Hon. B. H. Gardner presiding as judge, and T. J. Harris as district attorney. The first business of the session was the charge of the judge to the grand jury. The charge was brief, comparatively, but very thorough, covering all the usual points, and calling special attention to the new state sanitary laws. These laws prescribe certain sanitary treatment for public buildings, railway coaches and sleeping cars; slaughter houses and butcher shops, bakeries, confectionery shops, school houses, churches, etc., and the grand jury was instructed to look into the conditions in this city and county.

The grand jury was organized with ex-Sheriff H. A. Watts as foreman. The following officers were elected to wait on the jury: Door bailiff, Mr. Neil; Riding Constable for precinct No. 1, Howard Burton; Precinct No. 2, Ed Hardigree; Precinct No. 3, J. A. Scarborough; Precinct No. 4, M. H. Gaines; Precinct No. 5, John Garganus; Precinct No. 6, Will Martin.

Following the charge to the grand jury court adjourned until this afternoon, at which time the docket will be assigned and the work of the term begun. The grand jury went to work at once.

RAILROAD MEN

Summoned to Appear Before the New York State Railroad Commission.

Special to the Herald.

Albany, N. Y., Nov. 25.—The efforts of the railroads operating in New York state to override the demand for 2-cent mileage are to form a subject of investigation by the public service commission. Representatives of all the roads have been summoned to appear before the commission today to show cause why they should not be directed by the commission to issue interchangeable mileage books of one thousand and five hundred miles at a uniform rate of 2 cents and without many of the restrictions now placed upon the sale of mileage books by some of the larger companies. A special effort will be made to abolish the practice of some of the roads of issuing mileage books at a higher rate than 2 cents and afterward giving rebates.
