

## JUD HARMON'S BIRTHDAY

Governor of Ohio Is Sixty-Four Years Old Today—May Be Presidential Candidate.

(Herald Special.)

Columbus, O., Feb. 3.—Governor Judson Harmon, whose boom for the democratic presidential nomination appears to be meeting with much favor in many parts of the country, and particularly in the south, received a flood of congratulatory messages today on the occasion of his sixty-fourth birthday anniversary. Governor Harmon is not discussing the question of his presidential candidacy just now. He expects to be a candidate for re-election to the governorship. If he is successful in the coming state campaign it is accepted as a foregone conclusion that his name will be presented for the head of the ticket at the next democratic national convention.

On the basis of precedent, it would seem that no man in public life today could stand a much better chance of being elected president than Governor Harmon. Any student of the presidential "form" sheet would certainly post the Ohio governor as a sure winner.

To begin with, he is a native of Ohio, which state has furnished more occupants of the White House than any other state of the union, with the single exception of Virginia, which has one more president to her credit than has Ohio.

He is a lawyer by profession, as were Presidents Adams, Jefferson, Madison, J. Q. Adams, Jackson, Van Buren, Tyler, Polk, Fillmore, Pierce, Buchanan, Lincoln, Hays, Garfield, Arthur, Cleveland, Harrison, McKinley and Taft.

He has served as state governor, as did Presidents Jefferson, Monroe, Jackson, Van Buren, William Henry Harrison, Tyler, Polk, Johnson, Hayes, Cleveland, McKinley and Roosevelt.

He has the benefit of experience as a cabinet officer, as did Presidents Jefferson, Madison, Monroe, J. Q. Adams, Van Buren, Buchanan, Grant and Taft.

The very name of the Ohio governor is one for the political prophets to conjure with. He has no middle name, which is a distinction he shares with no fewer than eighteen occupants of the presidential chair. His name contains the letter "a," which occurs in the name of each president excepting Tyler's and Roosevelt's.

Governor Harmon ends with the letter of ten presidential names.

### Our Silent Oyster Salesman

This is the cleanly white and blue porcelain Sealshipt case from which we sell SEALSHIPT OYSTERS at our store. No ice or water ever touches the oysters.

It is the final step in the Sealshipt System which makes it possible for us to furnish our customers with oysters which taste exactly the same here as when eaten on the shore. They are firm, tempting, delicious morsels of sea food.

## Sealshipt Oysters

Have the tang of the sea

You will be surprised when you see Sealshipt Oysters. More surprised—and delighted—when you taste them.

In buying Sealshipt Oysters, remember that there is no "liquor"—nothing but solid meat. The "liquor" is what spoils common oysters. It is melted railroad ice.

If you ordinarily buy oysters by the quart, get only a pint of Sealshipt.

Come into our store and see our silent salesman. While here ask for a copy of our book, "Seaside Oyster Dishes." It gives many shore recipes.

To make his election absolutely sure all Governor Harmon will have to do is to secure a running mate on the ticket whose surname also ends with the letter "n." The only presidential candidate whose name ended with the letter "n" who failed of election when the name of the vice presidential candidate also ended with "n" was William J. Bryan. Bryan and Watson, Bryan and Stevenson and Bryan and Kern furnish the only exceptions to the rule.

All other presidential candidates whose surnames ended with the letter "n," with a vice presidential candidate whose surname ended with the letter "n" were elected, as Jefferson and Clinton, Madison and Clinton, Jackson and Calhoun, Jackson and Van Buren, Van Buren and Johnson, Lincoln and Hamlin, Lincoln and Johnson and Harrison and Morton.

### AVOID HARSH DRUGS.

Many Cathartics Tend to Cause Injury to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt,

## MARDI GRAS VISITORS

Gathering at New Orleans—Indications Point to a Record-Breaking Attendance.

(Herald Special.)

New Orleans, La., Feb. 3.—New Orleans is donning gala attire in anticipation of the annual Mardi Gras festivities. The city is rapidly filling with visitors and from all indications the attendance will be as large, if not larger, than in any previous year.

The program of festivities this year will extend over a period of five days and will be replete with many new and interesting features. All of the time-honored carnival features will be retained, including the arrival and parade of Rex and his gorgeous retinue, the parade and ball of Proteus and the parade and ball of Momus, which will bring the carnival to a close.

The arrival of Rex, the king of the carnival, is always the big event of the week. It is customary to elect some representative citizen of New Orleans to fill this position, usually a prominent business man. For several weeks previous to the day set for the reception of Rex, fictitious wireless messages, supposed to be sent from the royal yacht, at sea, are received in the city and published in the newspapers.

When the king of the carnival arrives in the city the first of the week his reception will be attended with splendid ceremonies. His yacht will be escorted to the landing place by a naval pageant, and a military escort will be furnished to accompany him through the business section to the

tend the meeting, among them delegates representing the high schools of this city who desire that certain modifications may be made in the rules so that the ban recently placed on the game by the school authorities may be lifted.

### PSYCHOLOGY OF THE COURTSHIP

"We speak of man as the wooer," says a recent writer on women, "but falling in love is really mediated by the woman. By dress, behavior, coquetry, modesty, reserve, and occasional boldness she gains the attention of man and infatuates him."

Consider the predicament of the girl busy at such entertaining sport, who finds herself suddenly becoming fat. She knows by instinct that she cannot infatuate long if she be fat, so to exercise and diet instantly to save the day. They may—but there is an easier way.

One can take off up to a pound a day without causing wrinkles, stomach disturbances, or the least bother. This can be done in old cases of overfatness as well as recent ones. A fine figure can be saved or a trim one regained. Simply send seventy-five cents to the Marmola Co., 1113 Farmer Bldg., Detroit, Mich., or, better still, tender the same to your druggist for a large case of Marmola Prescription Tablets. This elegant preparation can go with you everywhere in your satchel. Take a tablet daily; off comes the fat, nice and uniformly, from the fattest parts first.

## In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga.

"I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick headache, heart palpitation and many strange feelings.

"I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded to try Cardui.

"Since taking Cardui, I am so much better and can do all my housework."

# Take CARDUI
