Dr. Nott's Letter Arouses a Storm of Protest. Sticks Stoutly to Statement. Offers to Put Up Money to Back His Opinion.

In a recent issue of this paper Dr. Nott, whose fame is a matter of national recognition, stated that there was no cure for baldness. An opinion which is evidently not shared by all, otherwise the existence of numerous concerns that advertise to cure baldness, to put hair on a billiard ball, etc., would be imperiled. What Dr. Nott did state, as reference to the issue containing his statements will corroborate, was that he had never seen in all of the thousands of cases which have passed under his notice, one instance where the disease of baldness had been cured. But he did state as well that he cheerfully admitted that there were remedies that would restore gray hair to the color of youth, and that there were Hair Tonics which would encourage the growth of hair, cure dandruff and the ordinary diseases of the scalp, he referred particularly to Q-Ban Hair Restorer and Q-Ban Hair Tonic. Dr. Nott stated that he will give to any charitable institution named \$1,000 on receipt of any authentic proof showing that hair has ever been put on a bald head where the roots were dead. Since his last statement the druggists have in general laid in a supply of Q-Ban Hair Restorer and Tonic. Any one who wants to win the \$1,000 that the doctor offers may send a letter to Q. B. Dept., Memphis, Tenn. He states, and any druggist will endorse the statement, to the effect if six bottles of Q-Ban Hair Restorer falls in a single instance to change gray hair to a natural color, that if the patient has used six bottles and the result is not as claimed, a letter written to Dr. Nott will bring back the money expended, and that if a six bottle lot of the tonic don't increase the growth and strength of the hair, cleanse and put the scalp in good condition, money will also be returned. You know your druggist—ask him.

Aotley Drug Co. recommends and sells these preparations. If you are gray haired or your hair is commencing to fade, you can have the first full size 50c bottle by sending 12c in postage to the Hessig-Ellis Drug Co., Memphis, Tenn.
