### **CAPITAL VERSUS LABOR**

A Play Illustrating Situation Between Capitalist and Laborer Chosen For Labor Day Performance.

A story of the workingman and his rights entirely unparalleled by the regime of his employer, showing the different attitudes of two great heads, one a master in the art of mechanism the other a capitalist utterly devoid of any art other than speculation of dollars; a story showing the vicings of these two parties and the final realization reached by both in the conclusion that both are practically dependent upon the other, is fully to be exemplified in the production, "All For Love," a vehicle chosen by the management of the Curtiss Comedy company to open a week's engagement at the Aldome commencing Monday night. This play has sometimes been called "Capital Versus Labor," and "The Workingman," but the author's appellation, "All For Love," will be used here, as will all of the other plays throughout the week be produced under their original titles, so that no one may be misled in choosing the play they wish to see.

This labor play is quite appropriate to the time, and no doubt will receive a wide hearing Monday night. Melbourne McDowell, the great dramatist, used the vehicle in vaudeville with a small cast for two years, playing the Orpheum and Interstate Circuits, and was declared to have the strongest act on the road.

For the production to be given here by the Curtiss company Monday, a full car load of scenery is carried. A

great strike and mob scene; the terror of the mechanic's department, showing the hundreds of laborers all working under their leader, the hero of the play; the interior of the capitalist's stronghold, the employer; the big strike scene when the laborers declare mutiny and the final rehabilitation of the rights they have been deprived of, are all scenes of poignant interest to be seen Monday night. Special mountings for each of these scenes give them the zest necessary for a "real" impression, as they are certain to create.

The story of the play also contains a bit of romance, a love affair between the master workingman and the capitalist's daughter; also several ramifying love episodes between the minor characters.

The parts will all be interpreted by excellent actors and actresses, and according to press reports, as well as public comment, one of the strongest, if not the strongest, dramatic casts will be seen here next week that has ever visited Palestine.

There are twenty-five in the roster of the company, and a big band and orchestra is an additional feature.

#### **CAN'T BE SEPARATED.**

Some Palestine People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers.

You can't separate them.

And you can't get rid of the backache until you cure the kidney ache.

If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

H. F. Brunow, of 11 Reagan street, Palestine, Texas, says: "About four years ago when having a severe spell of backache and sharp, shooting twinges through my kidneys, I was advised by a friend to try Doan's Kidney Pills. I did so, and it only requires the contents of one box to make a complete cure. From that day to this there has never been the least return of the trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### **HE IS NOT A CANDIDATE**

Representative Strickland Thanks His Friends For Petitions Sent Him to Make Senatorial Race.

House of Representatives State of Texas. Austin.

To My Friends:

I desire to take this method to tender my thanks to those of our senatorial district who have petitioned me to make the race for state senator and to again state that I am not in a position to make the campaign. The position of state senator or representative carries with it a salary which barely pays one's expenses while in Austin, and as I have served four years in the lower house I owe it to myself and those dependent upon me

Following is the vote up to Friday morning:  
 Miss Ava Moore, 7258.  
 Miss Ouida Barnes, 6636.  
 Miss Maud Ella Garner, 6259.

to stay out of the race. I especially appreciate the petition from Palestine. I've tried to conserve the business interests of my county and to also give labor that protection which it deserves, and if I have succeeded in the least it was only a simple duty that I owed to my people as a public servant. I haven't the time nor the money to further serve the state in this or a similar capacity. Again thanking you for the kindness you have ever shown me, I am, Gratefully yours, J. J. Strickland.
