Yes, I Have Found it at Last.

Found what? Why that Chamberlain's Salve cures eczema and all manner of itching of the skin. I have been afflicted for many vears with skin disease. I had to get up three or four times every night and wash with cold water to allay the terrible itching, but since using this salve in December, 1905, the itching has stopped and has not troubled me,-Elder John T. FOR THE SALTING OF STOCK

Government Regulation Goes Long Way in Protecting Range and Conserving Forage.

The requirement that all cattle, horses and sheep grazing under permit on the National Forests be given salt at frequent intervals is a regulation which has been found to go a long way in protecting the range and con-

serving the forage crop.
