GOAL STRIKE CALLED OFF.

Mitchell Issues his Proclaim
ation to That Effect.—So
The Principle is Held
to be Gained.

Hazleton, Pa., Oct. 25.—The
following statement was given out
for publication today by President
Mitchell of the United Mine
Workers:

“Temporary Headquarters United
Mine Workers of America.

“Hazleton, Pa., Oct. 25, 1900.

“To the miners and mine workers
of the anthracite region:

“Gentlemen: After careful
canvassing the entire strike situa-
tion, we, your officers, district
and national, have concluded that
no good end can be served by con-
tinuing the strike longer.

“We are aware that some dis-
satisfaction has been caused by the
failure of the operators in dis-
tricts 1 and 8 to separate the re-
duction in the price of power from
the advance in wages, but after
careful inquiry we are satisfied
that each mine employee will
actually receive an advance of ten
per cent on the wages formerly
paid. In the Schuylkill and
Lehigh regions the largest com-
panies have agreed that the slid-
ing scale should be suspended
and that wages should remain
stationary at 10 per cent until
April 1, 1901, thus removing one
of the inequities of which you
have complained for many years.

“The companies agree, in their
notices, to take up with their mine
employees all grievances complain-
ed of. We would therefore advise
when work is resumed committees
be selected by the mine employees,
and that they wait upon the super-
intendents of the companies and
present their grievances, in an
orderly, business-like manner and
ask that they be corrected.

“Our attention is respectfully
called to the fact that the laws of
the state of Pennsylvania provide
that miners should be paid semi-
monthly—upon demand. We
should therefore advise that each
mine employe serve notice on the
companies that he expects to be
paid his wages twice each month,
as provided by law.

“As there are some few com-
panies who have not posted
notices, nor signified in any
manner their willingness to pay
the ten per cent advance in wages
and suspend the sliding scale, we
would advise that unless the men
employed by such companies re-
ceive notice before Monday
that the advance will be paid,
they remain away from the mines

and continue on strike until the
companies employing them agree
to the conditions offered by the
other companies. The employes
of the companies who have offer-
ed the advance of ten per cent
and abolished the sliding scale
are hereby authorized to resume
work Monday morning, October
29, and to be prepared, if called
on to contribute a reasonable
amount of the earnings for the
maintenance of those who may
be compelled to continue on
strike.”

“The address is signed by the
national and district officers of
the United Mine Workers of
America.

Kiowa County.

El Reno, O. T., Oct. 24.—Mon-
day night Beacon which arrived
here this morning seated a big stir
among the deluded people who be-
lieved Dennis Flynn when he said
the Kiowa, Comanche and Apache
country, would be opened next
May.

There are hundred of people
in El Reno who came here to winter
and to get ready for the big open-
ing in the spring. Many of them
will pull out for Greer and Washita
counties where claims can yet be
had, while more of them will re-
turn to their homes in the north
and east.

The article in the Beacon, headed
“Will be Delayed,” has caused
many of Mr. Flynn's friends to be-
lieve that he talked with a forked
tongue or was densely ignorant of
the situation.

Criminal costs is the big item
in the expenditure of public
money in the two territories. A
whipping post would get next to
the criminal much more effec-
tively than boarding in a jail at
public expense.
