The Dispatch.

PROVO CITY, HINE 3, 1891 PUBLISHED WEDNESDAYS AND

Entered at the Postoffice at Provo, Utah, for introiseion through the mails as Second-

SATURDAYS.

THRMS OF SUBSCRIPTION:

me year \$2.50 | Six months....\$1.50

mouths 1.00 | Single copy....5cts an remainance on subscription at less than succeabove given, will be credited for the stor which the amount pays and no longer. our postoffice address in full, includ-

mit by express money order, draft, post-- order, postal not , or in registered letter the minumications should be addressed to

THE DISPATCH, Provo, Ctah.

respondence desired on all public ques-liciseted communications will not be end unlies prepaid and especially re-ed. Anonymous communications will reduced. No exception to these rules, all food under obligation to subscribers will send in, per postal card or other-personal or local items of interest exception under their observation.

will give an audience to WICHTER overs, the indvidual who was granted and that, too, without any dilly-dallying. This being the case, let Friend WIGHTER understand just what is with utter contempt in this over and the Connell will do well her last there is no more of it.

The indications are now very strong of the Liberal," or anti-Mormon of in Utah, will be maintained, and that the division on party lines will be postponed for a time.

So the Denver Sun thinks, but it is if its base," so to speak. There are two papers that are anxious to help alive the old fight in Utah, one of thick is the Tribune, and it is from The source that the Sen must speak when it ventures such an assertion as but recorded above. Inside of thirty es will change its views, for ritory, as elsewhere, there out two political parties. The

relieads and magwamps will be with f course, and possibly their organs will be the two papers referred to above.

THE Kansas City Times indulges in the following: "Cleveland will be cted by acclamation if he falls nto line on the corrency and silver mestions. If he does not, but reiterales Sherman finance next year, he must stand aside. He will not stand saide for Hill, however. There is only me New-Yorker the party will accept If he is not available the Empire State must get ready to give a Democratic majority to the first western Democrat to Provident since the Mexican war.

T: 2 Solid Muldom says that Reprolican editors who find the reduced cost of sugar such a boon since the tariff modified prices, have nothing to say in havor of reducing the tariff on, or freeing, wool, coal, lumber, salt and other raw material from excessive tariff People who steal Democratic thunder naturally besitate before enoring a plea of guilty.

The Aspen Times credits the Salt old Times with being "the leading lapardican publication in the Terrion." As the Aspen individual owns author of the Salt Lake paper, we presume Judge Goodwin will be entirely consteads even to laugh at this outsit of self-praise.—Solid Muldoon. Praise or not, it's a fact all the same I II Goodway ever does anything

A Boston man was recently arrest-I for kissing a woman on the streets. and when arraigned he swore the omen was his wife and they had an married eight years. The judge nied, the bailiff dropped dead from at disease, and it now requires four gonen and a gattling gun to keep time museum men away.

mt it. it will be to cry.

THE LAS A. EDISON has invented tric contrivance by which peo we call see a dramatic or operation commance in their own houses - people have witnessed circu or formances in their abodes, but the sinve invention is a decided novelty.

ONE of the interesting objects which will be exhibited at the World's Fair table, made from the timber of house in Funchal, Madeira, in tch Columnus lived for a time be-- he began his voyages of discovery.

So very rarely does the Tribune say more thing tair of the religious services the Latter-day Saints, that the following relating to the Y. P. M. I. A. and rence in Sait Lake Sunday is recreating: "Elder Junius F. Wells, who presided, then introduced Brother to juniu Cluff, Jr., of Provo, who derived a most interesting tecture on culture. He first asked the Spirit and to assist him in making his recold to assist him in making his re-is, and then proceeded to crate in anoner which showed that he was used of no assistance whatever, not

UTILIZING NIAGARA'S WATER POWER.

Niagara Falls is to be set to turning water wheels on the Canadian side as well as on the American. It is stated by Engineering News "that capitalists Jours IL Wallis, - - Manager, ted to various cities for light and power purposes. The syndicate pay \$25,000 per annum for their franchise for ten years, the rental then increasing the following declaration of principles:

"I—We believe that the government of the United States is a national state."

> The Solid Muldoon should have more is how its laws and a strict enforcement of the same. it refers to "Bedlamite" Goodwin's

defeat last November: The number of the exception to these rules.

We will feel under obligation to subscribers they fill send in, per postal card or other started out to draw party lines and statted out to draw party lines and stat

A CINCINNATI physician has a se-Tranchise for building Provo a cret office bell, which he calls a "bore When he is tackled by a bore, or when his lady visitors insist on giving him the history of all their relatives and their ills, the doctor's foot suddenly are revenue, and that confined to the property of the second of the grant. We know it is not touches a stripe which the property of the second of the government which the property of the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued and that the primal idea of all taxes should be revenued and that confined to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenued to the second of the government which could be revenue system of waterworks. It is under- bell," and he says it is a great thing. abliable grant. We know it is un- touches a spring, which rings the "bore occessary, and yet we want to say to bell," and in rushes a servant with an a Council that they shall stand on important message or a telegram. The mir dignity to-morrow night and visitor's tedious tale is interrupted and liow no more monkey business from she or he leaves the office because the this man. There are scores of capidoctor is so busy, you know. The the greatest good to the greatest nu bars man, the same message or telegram can be used ber; special privileges to none; equal to the greatest number of the great alists who will be only too glad to same message or telegram can be used |-- t us in a system of waterworks, a great many times, and the doctor's callers never suspect anything.

expected of him, and if he will not truth, or else seek information before are up to the request of the Council, making assertions on which it knows SPATCH is of the opinion that alive old issues that people who are harren has treated the citizens of most interested are anxious to bury: SECRETARY FOSTER has ruled that hereafter polygamists shall be held to

REPUBLICAN sheets very generally denounce or poke fun at the third ocratic party of the nation. party movement, and the Solid Muldoon gets it back at them by saying "A party whose leaders have for thirty years been legislating against the agricultural and producing classes wil find it in the end that neither censure nor ridicule will stay their waning power. High tariff, mercantile trusts contract labor and unrestricted for eigu pauper labor are evils that are of Republican origin."

Welshmen want to attract specia one week of the Exposition, by mean of national games, music by Welsh bands, and competitions for \$30,000 in prizes which they promise. A delega tion of influential Welshmen has asked Director General Davis to designate a week for that purpose.

The Last Most Terrible of All. What a terrible thing to see a young man coming out of a saloon.—Ex

Not half so terrible as to see a young man going into a saloon.—Another

And neither one-quarter so terrible as to see a young man standing in front of a saloon as dry as a bale of cotton and not a nickle in his clothes

The World Enriched.

The facilities of the present day for the roduction of everything that will conand to the material welfare and comfort mankind are almost unlimited and then Syrup of Figs was first produced as world was enriched with the only efect lenative known, as it is the only andy which is truly pleasing and reto the taste and prompt and feetual to cleanse the system gently in the Spring time or, in fact, at any time and the better it is known the more popalar it becomes

DEMOCRATIC CLUB

Of Provo City

connected with the London Electric Supply Corporation (Limited), of Deptford, England, have agreed to begin operations for utilizing the power of Niagara on the Canadian side before March I, 1892. The sum of \$200,000 has been deposited with the Niagara Falls Park Commissioners of Ontario, to be forfeited if the agreement is not kept. It is proposed to utilize this power to generate electricity of enormously high voltage, which will be transmit ted to various eities for light and

ing to \$35,000 in the twenticil year." sovereignty, supreme within its sphere as delegated and defined in the consti-REMINDING HIM OF HIS DEFEAT. tutiont and to that government our first allegiance is due; and we believe in a willing and loval obedience to all

"2-We believe that the several States of the Union are sovereign within the r sphere, and that upon the pre-servation of their autonomy depend the benefits of local self-government. the liberty of the citizens, and the popetury of the Union.

"3-We are opposed to the idea of centralized or paternal government, I lieving that the best government the one that governs least; and then fore we believe in the largest liber of the individual citizen consiste with good government.
"4-We are opposed to any legis
tion by the federal government whi

needs of the government economica administered.

"5—We are opposed to any legis tion tending to build up monopoly, the result is to make vich the few the hurt of the many, and we belie that the rule of government should ty to all.
"6-We are unalterably opposed

the distranchisement of any citiz THE Denver Sun should stick to the have been first duly convicted. "7-We are unalterably opposed force and fraud in the conduct elections, or to any interference wi at the franchise be annuled, and the nothing. In the latter paragraph it is them by extraneous powers or means.

The seeking, by false imputation, to keep The constitution of the United States. should not be vitiated by makeshift legislation to facilitate party advan-

The foregoing we believe to be an embodiment of the true principles of Republican-Democratic government, which find their expression in the just hereafter polygamists shall be held to be in the debarred class of immigrants. This is calculated to interfere somewhat with the work which Mormon missionaries have been operating so successfully for a good many years. They have been bringing annually a good many converts to their religion from Europe to this country.

| Membodiment of the true principles of Republican-Democratic government, which ind their expression in the just interpretation of our constitution; and we most condaily invite the people of Utah, without regard to previous political affiliations, who are willing to subscribe thereto and abide the action of the Democratic party in its organized canasity to inly with us in our of the Democratic party in its organ-ized capacity, to join with us in our effort to build up a party in Utah in sympathy and harmony with the Dem-

Administrator of the estate of James
Loveless, deceased,
KYSO & HOUTZ,
Attorneys for Administrator.

EGAL NOTICE - IN THE PROBATE
In the matter of the estate of Heary Savage, icecased.

Norrice of time and place for hearing of peti-Notice of time and place for heaving of petition for admission to probate of will.

Pursuant to an order of said Court in said matter, notice is hereby given that Saturday, the 30th day of June, A. D. 194), at 10 o'clock a.m., at the County Court House, in Provo City Una county, Territory of Utah, in the Court Hoom of said Court, has been appointed the time and place for the hearing of a petition of Jemina Kinder, praying for the admission to protate of a certain document therewith presented, purporting to be the last will not testing the said will be said with the court of the said will be said with the court of the court of the said will be said with the said will be said with the said will be said will, or the granting of letters testamentary to Jesse S. Taylor, as prayed for its said will, or the granting of letters testamentary to Jesse S. Taylor, as prayed for its said pertition.

On the said petition,
Dated at P.ovo City, June 1, 1891.
V. L. HALLIDAY,
Probate Clerk, Utah County, U. T.

SUBSCRIBE FOR

SUMMONS.

IN THE DISTRICT COURT OF THE FIRST Judicial District of the territory of Utah, Utah county. H. S. Greeve, plaintiff vs. James Greeve, defendant.

The people of the territory of Utah send greeting to James Greeve, defendant.

You are hereby required to appear in an action brought against you by the abovenamed plaintiff, in the District Court of the First Judicial District of the territory of Utah, and to answer the complaint flied therein, wishin ten days texclusive of the day of service after the service on you of this summons—if served within this county; or, if served out of this county, but in this District, within twenty days; otherwise within forty days—or judgment by default will be taken against you, according to the prayer of said complaint.

The said action is brought to obtain a decree of this Court, dissolving the bonds of matrimony herefore and now existing between the plaintiff and you, defandant, on the grounds of failure to provide for plaintiff the necessaries of life.

(For fuller particulars reference is hereby made to the complaint now on file in this action.)

And you are hereby notified that if you fail

And you are hereby notified that if you fail to appear and answer the said complaint as above required, the said plaintiff will apply to the Court for the rellef demanded therein.

Witness the Hon. John W. Blackborn, Judge, and the seal of the District Court of the First Judicial District, in and for [SEAL] the territory of Utah, this 25th day May, in the year of our Lord one thousand eight hundred and ninetyone.

one. C. H. MCCLURE, Clerk,
by B. BACHMAN, Jr., Deputy Clerk.
Geo. Sutherland, attorney for plaintiff.
The above summons is hereby ordered to be published in The Disparch at least once a week for and during the period of one mouth.
Attest: JOAN W. BLACKBURN,
B. BACHMAN, JR., Judge.
Deputy Clerk.

Or the Liquor Habit, Positively Cured by administering Dr. Haines' Golden Specific.

It is manufactured as powder, which can be given in space, but a comparation of as powder, which can be given in space, and will effect a permand it is become particular, which can be patient by a modernis drinker or an adouble wreek. It has been given in thousands of cases, and in every instance a perfect cure has followed. It sever Falls. The system once impregnated with the dipention becomes an utter impossibility for the liquor appetite to exist.
