PROVO CITY. - SEPT. 25, 1894

DEMOCRATIC TICKET.

GENERAL ELECTION, NOV. 6, 1894.

For Delegate to Congress:
JOSEPH L. RAWLINS.

For Commissioners to Locate University Lands:
Thomas Griffin, Cache County,
Israel Evans, Utah County,
Peter Greaves, Sr., Sanpete County.

THE CAMPAIGN.

So far the campaign in Utah has gone unquestionably in favor of the democrats. The masses of the people fully appreciate the work done for the territory by the democratic party since its advent to power. We are to credit patriotic republicans also with a love for their homes and an appreciation and gratitude for services such as the democratic party has rendered. The wisdom of nominating the able and devoted man, under God, was the instrument in conferring these massive benefits cannot now be doubted. His name has flashed into all of our bright beautiful valleys, far up the sides of our rugged mountains, out upon our deserts where the stockmen roam, and into every workshop, school, college and university, or wherever men toil, and one mighty voice has gone up. It is a shout of enthusiasm. It is devotion to the man who did more in eighteen months than all others who attempted to serve Utah for the last thirty years. Men, women, children—all shout for the brave, honest servant of the people who has crowned the territory with the diadem of statehood, and won for the church and the people almost untold benefits. Unquestionably this is the chief element in the success which even now seems perfectly certain, and which is growing surer and brighter with each passing hour. Every democrat's loins are girded, and all are working as men do who deserve success. The long unbroken record of the party's friendship for Utah, its efforts to serve her principles which apply so admirably and fit so perfectly her every condition and surrounding, all this goes to justify the party claim upon the allegiance of the people of Utah and they are meeting that sacred claim like the honest, faithful men they are.

Added to this, the illustrious founders of the church, its great lights in all the history of the church and territory from Joseph Smith down to the venerable gentleman who now stands at its head, and the people, belonged to the democratic party, in their simple characters of men and citizens. The interests of Utah lie altogether with the theories of the democrats now, as they did in those days of hardship and sacrifice when Brigham Young led the hosts of Zion across the bald wilderness to these rugged valleys which are now smiling amidst these lofty mountains and the peace, plenty and happiness reigning on every hand and in every heart.

The opening of the Utah and Uncompagnie reservations by the democrats under the urging of Mr. Rawlins, our leader in the present fight, the defeat of the cruel project to unload the southern Utes upon San Juan county, the restoration of the patented property, the paying back of the money by the government taken from the church by the republican party while in control at Washington, all these are causes to incline honest people to favor a party producing such evidences of friendship, rather than that cruel party and policy which so cruelly despoiled the people and the church. It is not strange that the people of Utah favor Mr. Rawlins and his party rather than Mr. Cannon and his party. What fair minded man can blame them? What fair-minded man can fail to vote for Rawlins rather than the other? Fair-mindedness, honesty, integrity, are qualities just as graceful and as valuable in politics as they are in the church, in everyday business, or in the homes of the people.

These are positive benefits conferred by the democracy and Joe L. Rawlins. Now will some illustrious republican point us to one single good conferred by Mr. Frank J. Cannon or the republican party?

This Grand Junction Sentinel, the editor of which was for many years our office boy, imagines that it is smart in writing disrespectfully of the editor of THE DISPATCH in connection with his appointment as director of the insensate system. Impudence goes, these latter days. In strong contrast to the bit of cheap blackguardism of the Sentinel, the following from the manly Star-

Times has a better ring:
"Colonel Barrow, of the Provo DISPATCH, has been appointed director of the territorial insane asylum by Gov. West. We predict that the colonel will make an efficient officer."

Our good friends at Grand Junction will know how to seize up the matter and we leave it to them to attend to the business.

It is needless to say that the Tribune's roorback as to the kicking of Col. John T. Caine out of the executive committee is a lie out of whole cloth. The committee has wisely added to its working force several gentlemen of well-known and great ability, and this is what is hurting the Tribune. No, no, dear Trib, there is harmony complete and entire in democratic ranks from top to bottom. It means victory, too. Put that in your pipe and smoke it.

JUDGE HENDERSON of Salt Lake is one of the most earnest and successful workers in the state in the present campaign. He is a learned and leading lawyer, a laborious and eloquent speaker, calm, logical, argumentative and conservative. He has already done and is still doing yeoman's service. We feel sure that the triumph of democracy of Utah will ever hold these eminent services in grateful remembrance.

It is all folly to expect anything like an advance in general farm products, but especially wheat, while silver remains at 53 cents. Silver and the farming interests are yoked together and always will be. It would be folly, and worse, extreme stupidity, to vote with the party which demonized it, and which has steadily opposed every effort to remonetize it. Let the voters reflect.

JUDGE POWERS, one of the knightliest of the democratic hosts, will address the people of Utah county in this city, Saturday, the 6th of October next. Let the people all come out and give the big Tuscarora a rousing reception, one that will give his big democratic heart pleasure.

The tribune is glorifying over the coming of Col. Penrose to take command at Fort Douglas. We should say the Trib, has had one Col. Penrose at its elbow all the time who seems to be quite enough for it.

JOE RAWLINS will tell the people of Utah county here next Saturday the wonderful tale of his noble achievement in Washington.

REMEMBER Joe L. Rawlins will speak in Provo next Saturday night. Let us give him a rouser. He deserves it and will get it.

Times are really and truly getting better fast. Hang Grover and also hang in an especial way, the democratic congress.

In fighting Mr. Rawlins' views on silver the Tribune is compelled to be very tame, or it will run afoul of its own.

DON'T forget to hear Joe L. Rawlins Saturday night.

Come out and hear Rawlins Saturday night.
