### Mrs. A. McDonald.

Mrs. A. McDonald died yesterday afternoon at 3:45 o'clock at the McDonald home in the northwest part of the city. She was ill several days prior to her death but it was an early realization on the part of loving relatives and friends that Death alone could relieve her sufferings. The date of the funeral has not yet been decided upon.

Rose Delima Smith McDonald was born June 13, 1866, at Leroy, Minnesota. With her parents she moved from there to Yankton, S. D. She was united in marriage to A. McDonald on Nov. 8, 1893, after which they resided at Alcester, S. D., until coming here in 1903. Besides the sorrowing husband and father the following small children mourn the loss of a mother's love and care: Mary, Loretto, Frances, James and Bernard.

### F. M. Doty.

F. M. Doty, a well known and respected citizen of the prairie, died at his home a few miles north of town last Saturday of paralysis. Mr. Doty had been ill but two days when the death-dealing stroke came and ended his earthly career. He was 67 years of age at the time of his demise.

Mr. Doty and his family came here from Centerville, South Dakota, 6 years ago and have made Camas Prairie their home since then. The family consists of a wife and seven children, who have the sympathy of

the entire community. The funeral was held yesterday, interment being made at the Prairie View cemetery. Rev. Hubbell, of the Christian church, preached the funeral sermon. Mr. Doty was an industrious, hard working farmer and had a large circle of friends who will greatly feel the loss caused by his death.

### Best Dance of the Season.

A full half column, which lack of space forbids, could be devoted to the grand Leap Year ball given by the ladies of the city last night but the whole affair can be summed up as follows: The best, most enjoyable, largely attended, affair of the kind in the history of Grangeville; a fine dancing floor, and, without doubt, the grandest program of music ever given by the superb Riggs orchestra and the sum of \$75 turned over to the fire department by the ladies who arranged and conducted the ball.

### New Cigar Factory.

The Grangeville Cigar company is the newest addition to the city's business concerns. W. F. Sage will look after the company's affairs for the present in the room just east of the Pulse drug store. Two clear Havana cigars, the La Costerina and El Camas, are to be manufactured and will soon be placed on the market. Mr. Sage is an experienced cigar maker and local smokers may look for some good goods from the new factory.

### Expressions of Appreciation.

We wish to thank all who assisted in making the Leap Year ball of last evening such a success. To the musicians, especially, we are exceedingly grateful. The hearty co-operation of all was noticed and appreciated.

### MT. MARSHALL A GOOD MINE.

J. Edie Stewart, Manager of Property, Tells of Its Development.

J. Edie Stewart came out from the Marshall Lake country last week and has been spending several days in the city on business. Mr. Stewart is president and manager of the Mt. Marshall Mining company and gives out some interesting news of the property, as follows:

"Last year we expended the sum of \$20,000 on our property, the Mount Marshall, and this year will witness the expenditure of over \$30,000. We have a Merrill's six stamp mill, with 125 lbs. to the stamp, at the property and plan many improvements in the near future. We are contemplating ordering an electric water wheel, a generator, a hoist and an aerial wire tramway all of which may be installed in working order at the mine this summer. This machinery will all be taken in via the Grangeville route. I have traveled on both the southern route and the road coming to Grangeville and I find the latter far in advance of the route from the south.

"Our mine has a reputation among those who have visited it, as one of the best producers in the country. It is a very promising property and one

## HARPSTER HOTEL BURNED

Hotel and Saloon Buildings at Clearwater River Town, Destroyed by Fire Monday Morning.

## DEFECTIVE FLUE IS CAUSE OF CONFLAGRATION

Owners of Property Unable to Save Structures—\$2,000 Loss, Partly Covered by Insurance.

Fire broke out in the building occupied by the saloon in Harpster at about 6 o'clock Monday morning, and a disastrous conflagration resulted. The fire was discovered after the flames had gained considerable headway and all efforts to save the building and adjoining property were practically hopeless. The saloon and contents were entirely destroyed. The place was conducted by T. J. Thomlison.

The Renner Hotel, which was located just east of the saloon, was also

destroyed. Some of the furniture and bedding was saved but the building itself and a greater portion of the contents went up in smoke. The structure was owned by Geo. Renner. Mrs. Carrie Brown has been conducting the hotel for several months. It is estimated that the loss will amount to about \$2,000, which is partly covered by insurance. A defective flue was the direct cause of the blaze. Since the hotel was burned Mrs. Brown has been providing meals at the Hinds cottage.

from which great results may be expected at no distant date. The ore, taken from a three foot lead, goes from \$25 to \$40 per ton. All the other properties of the Marshall Lake district, in their different stages of development, are coming along fine and our locality may be expected to make a name for itself in mining circles before many months have passed."

### ENTHUSIASTIC MEETING.

Republican Central Committee Held Session, Saturday.

A meeting of the republican central committee and other prominent members of the party was held last Saturday afternoon at the office of R. R. Hotchkiss, secretary and treasurer of the committee. About thirty party members were in attendance and all enthusiastically participated in the affairs of the meeting. A letter from C. H. Nugent, chairman of the committee and who is now at Lewiston, appointing J. E. Jaques as vice chairman of the committee, was read and the appointment confirmed by a vote of those present. April 18th was chosen as the date of the next meeting, when the election of delegates to the Wallace convention will take place. After some discussion upon county and state matters the meeting adjourned.

### Will Open Theatre.

A moving picture theatre will open in the Grabski block, in the room formerly occupied by H. E. Matteson's grocery store about next Friday, March 6th. The latest moving pictures will be shown and the popular ballads of the day illustrated and sung. A change of program will take place three times each week and the performance will run continuously from 7:15 o'clock till 9:15 o'clock each evening. A reasonable admission fee will be charged. A permanent theatre is something new for Grangeville and ought to be largely patronized from the start. Messrs. W. A. Slack and C. H. Swaney are establishing the theatre.

### Murphy Buys a Good Farm.

C. D. Murphy last Thursday bought the J. R. Baker ranch, lying 2½ miles southwest of town. Mrs. Baker will probably move to town to reside. Mr. Murphy has been visiting on the prairie for several weeks past and has been looking around ever since his arrival with a view of purchasing a good farm. His home is in Spokane and he will rent the ranch for awhile, expecting to sell the place at an advance in price in the near future. Mr. Murphy left Friday for his home. He will return here as soon as his interests demand it.

## Pedagogical Pebbles

This week closes our sixth month. Our attendance is much better this week than for the three weeks before.

The ancient history class gave a short but excellent program last Friday afternoon which was as follows: Song "Meyers History," class. "Rienza's Address to the Romans," Ralph Perkins. "Overthrow of Belshazzar," Ida Wickman. "Rome and Carthage," Phineas Houts. "Burial of Moses," Pearl Cheley. Duet "Twenty Years Ago," Mabel Doty and Earl Cotton. "The Roman Soldier," Charles Horning. "Virginia," Fannie McGrew. "Influence of Athens," Zaneis Parsons. History Song, class.

The little people of the first room have been making some paper towels that seem to be the real thing.

The sixth graders have just drawn some maps of the United States which are good.

Donald Carpenter, Jacob and Emery Briscoe, Charlotte Parsons, Eunice, Vivian, and J. C. McDonald are out of school because of sickness. Either their own or some one in the family.

### Attended White Bird Lodge.

Messrs. W. H. Williams, James Oliver, Jonas Lawrence and Charles Miller, all members of the local I. O. O. F. lodge, went down to White Bird last Thursday evening. They were invited to attend a session of the Rebekah lodge at White Bird Thursday evening. They say that the meeting was a decided success in every way and that the members of the White Bird order are strictly up-to-date in all the requirements of lodge work. A bountiful supper was served after the initiation was over and a royal good time was enjoyed by all. All the gentlemen who went down from here are loud in their praise of the hospitality accorded them by the citizens of White Bird and vicinity.
