## POOL TABLES ARE SUCCESS

### Christian Association Finds Them Helpful in Holding Members

Special to Evening Teller.  
GRANGEVILLE, Idaho, Sept. 24.—(By Nez Perce Co-Operative Telephone.)—The young people of Grangeville are manifesting a great interest in the work of the Y. M. C. A. this year. Grangeville has a fine building owned by the Young Men's Christian association and only recently they have added three rooms to accommodate an increase in members. Some months ago it was decided to have billiard and pool tables in connection with the association and these have proven a great attraction.  
Clem Hanna, a young man well known in Grangeville, has accepted the position as secretary, and will have charge of the work. He is paying especial attention to the athletic features and will have physical culture classes both among the young men and young women. It is planned to have a basket ball team for the young women.  
Eugene Van Wert, who formerly had charge of the work here, has accepted a position in the Y. M. C. A. at Salem, Oregon.

Vollmer & Scott, at a cost of \$25,000, and will be occupied on the ground floor besides the bank by the office of the Nez Perce Co-Operative telephone and the Whitaker-Howe Land company.

## OAT CROP GOES 70 BU. TO ACRE

Special to Evening Teller.  
CULDESAC, Idaho, Sept. 24.—H. M. Fluharty, a farmer living near Rosetta, was in town yesterday. His oats went 70 bushels per acre. He has a large lot of fine corn which he says is the best he has ever raised in this country. Last year he took the prize at the Lewiston fair for the best corn and will be there again this year with a much better exhibit.  
A large gang of Austrians came down from near Illo, where they had been working, but got into trouble with their boss and were discharged.  
Frank Gallis, justice of the peace at Illo, was in town yesterday, and reports that there is much harvesting to be done in his section.  
Many people are inquiring for houses to rent and every building is occupied.  
Wheat hauling is on in good shape now, there being hundreds of teams coming from all directions.

## Cream Baking Powder

Good Health depends upon the food you eat.

Adds to the healthfulness of all risen flour-foods, while it makes the food lighter, sweeter, finer-flavored, more delicious.

Exercise care in purchasing baking powder to see that you get Dr. Price's, which makes the food most wholesome and at the same time more palatable.

Note—There are many imitations of good baking powder, which the prudent will avoid. They may be known by their price, being sold for ten to twenty cents a pound, or a cent an ounce. The name must be printed on the wrapper.

## LOCALS WIN ON GRIDIRON

The opening game of the football season played on the high school grounds last Saturday showed that Lewiston has splendid material for a football team this year.

Both teams showed lack of practice, and the new rules were not conducive to accurate playing at the first game, but Coach Earle was well satisfied with the showing, and believes he has a team that will make a good showing during the coming season.

Lundstrom, Duthier, Morris, Storer and Edmundston did good work for Lewiston and Van Arsdall, Evans, Myers and Schultz were the stars for Clarkston.

The game was played in 15 and 10-minute halves, the score resulting 11 to 0 in favor of Lewiston.

## YIELD BETTER THAN EXPECTED

Farmers at Kamiah Have Begun to Haul Crop to Market.

S. N. Berry, a prominent farmer of Kamiah, was in the city Saturday and took part in the republican smoker. Mr. Berry states that the crop on the hills above Kamiah are turning out exceedingly well and the first of the grains is arriving at the warehouse this week.  
The Odd Fellows have completed

their hall in Kamiah and the lower floor is now occupied by Charles Hostetter with his printing outfit, the Kamiah Progress, and the billiard tables.

Francis Lawler will move his family into the new Arcade hotel next week. The new hotel will be located in a new two-story building and promises to be very popular with the traveling public.

To be satisfied is to eat at the Grand Restaurant.

## JACKSON WILL FOLLOW BORAH

Special to Evening Teller.  
GRANGEVILLE, Idaho, Sept. 24.—(By Nez Perce Co-Operative Telephone.)—Senator Fred H. Dubois spoke in Grangeville Saturday night to a large audience. The theme of his address was the Mormon question.

While here Senator Dubois gave to an Evening Teller representative the information that C. H. Jackson would campaign in the tracks of W. E. Borah. Mr. Dubois in his address at Stites, announced that Borah would follow him through his campaign in this state speaking a few days later at every point where he had spoken. The democratic party seems determined to have the last say, and it is now arranged, according to Dubois, to have Jackson follow Borah.

Grangeville Notes  
C. A. Lewis of the Grangeville Business college has returned and will open his commercial school.

John Norwood and family, Frank Eames and family and Harry Graham and family have left for Spokane to be in attendance at the Interstate fair there.
