## ELECTRIC SHOCK PUTS OUT PLANT

The Lewiston-Clarkston country was visited by a severe electrical storm last night, resulting in the disablement of the electric plant for a period of five hours.

The delivery panel at the Asotin plant was burned out and but for the diligent efforts of a large force of men under the direction of Superintendent Jennings the city would be still without power. The burned out section has been wired around by a temporary arrangement and the service will not be further interrupted until the permanent repairs have been made.

The recording meter shows the service to have been effected by two distinct shocks before the final crash, which rendered the plant useless. At 10:15 the record shows the current to have been shut off, the recording dial marking to the no-voltage line and at 10:45 the dial shows a similar shock. The plant was rendered entirely useless at 11:45 p. m. and the current not again turned on until 5 o'clock this morning.

## CANNERY IS IN OPERATION

**Cherries and Tomatoes  
Furnish the Principal  
Material**

Clarkston Bureau Evening Teller.

CLARKSTON, Wash., June 28.—The Clarkston Canning company, under the direction of J. H. Sprague, is now receiving enough fruit to keep it running every day. Over 5,000 quarts of fruit, principally cherries, have been canned since the plant started a short time ago. Although the cherry crop was short, Mr. Sprague has been able to get more cherries than he expected.

The only vegetable that will be canned this year will be tomatoes and a large amount of this product is assured, as the prospects for a large tomato crop is good.

Frank Callahan, a prominent real estate man of Waitsburg, arrived in town a few days ago to look after his business interests. He is the owner of the Holbrook-Elliott block. Mr. Callahan reports the general conditions about Waitsburg to be in a fine condition, and the prospects never looked better.

The Electrolytic Copper company held its annual meeting for the election of officers in its Clarkston office Wednesday morning and elected the following trustees:

F. B. Platt, St. Paul, Minn.; J. P. Sperry, St. Paul, Minn.; H. C. Tracy, St. Paul, Minn.; A. L. Ober, Chatfield, Minn.; F. L. Kingsbury, Mason City, Iowa; M. H. White, Mason City, Iowa; William Campbell, Spokane; R. J. Young, Minneapolis, Minn.; C. H. Nehrhood, Clarkston, Wash.

The Ladies Aid society of the Methodist church held a very interesting meeting yesterday afternoon at the home of Mrs. Minden. A short program occupied part of the afternoon, which was followed by refreshments.

Clarkston News Notes.

Florence Whitaker left this morning for Endicott, where she has been called by the sickness of her mother. She has been in the city for the past ten weeks receiving treatment from Dr. Coon, as she has been a cripple for the past 15 years.

R. B. Crouch left yesterday for Anathone, where he expects to do some carpenter work.

Frank Kimball arrived this morning from Spokane, where he has been for the past several days.

Carl Riggins is reported quite sick with an attack of measles. He was reported sick several days ago, and the symptoms seem to be that of the disease above mentioned.

## GEORGIA HOLDS INAUGURATION

**Hoke Smith Becomes Governor at the Ceremonies Tomorrow**

ATLANTA, Ga., June 28.—All arrangements are completed for the inauguration tomorrow of Governor Hoke Smith. The advance guard of visitors from throughout the state is already putting in an appearance and from all indications the largest crowd will be here tomorrow that ever witnessed the inauguration of a Georgia governor.

The members of the state legislature now in session will participate in the inauguration ceremonies, which will take place in the open air following the customary parade of military and civic organizations.

Governor Terrell, the outgoing executive, has arranged to take a short vacation after he gives up the reins of office to his successor. When his vacation is over he will resume the practice of law with his brother.

## WOMEN'S WOES

Lewiston Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pain and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained.

Mrs. F. J. Pearch, living half a mile east of La Grande, Ore., says: "Doan's Kidney Pills, which I used two or three years ago, proved of inestimable benefit to me in relieving backache and kidney trouble of five or six years' standing. Kidney disorder was the most troublesome, although my back pained considerably. The kidney secretions were irregular in action, scalded and were highly colored and contained a dark sediment. Housework was a burden, as I was too tired and restless. Doan's Kidney Pills were recommended to me and my husband procured a box for me. Its use relieved me from the first, and soon the bad condition of the kidneys was regulated and the backache was removed. Since making a statement of my case at that time for publication, I have had slight recurrences of the backache, brought on by colds or over-exertion, but a few doses of Doan's Kidney Pills have never failed to bring positive relief. I would not be without 'his remedy for anything.'"

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
