FREE COINAGE 16 TO 1.

Mr. Borah stated a truth

that ought to put to shame

every McKinley supporter in

Idaho, Tuesday night, when

he said that he and Mr. Haw-

ley were "speaking to the peo-

ple of Idaho under peculiar

circumstances, bordering on

the absurd, in that they were

arguing the cause of silver in

a state that ought to need no

instruction on this question."

And it is so. But it seems,

there is a large element in this

state who are against its best

interests, and money is being

spent lavishly to make a show-

ing for McKinley here on elec-

tion day. We trust Messrs.

Borah and Gunn will be able

to convince the McKinley sup-

porters in this state of their

suicidal policy.

A Dingle Wedding.

Wm. Quayle, one of Bear Lake's most prominent men, and Miss Elizabeth Dayton were married at Dingle on the evening of the 5th in the presence of a large number of guests. A dance and banquet followed the ceremony and a royal time was passed. The groom is widely and favorably known throughout Southeastern Idaho and is one of the country's solid citizens. The bride is an accomplished young lady of Dingle and is loved by all her acquaintances. Mr. and Mrs. Quayle begin their married life under most favorable circumstances and with best wishes of all the people of this section, nearly all of whom are intimate friends. The EXAMINER force extends its congratulations. They will reside in an elegant new home just built at Dingle.

A "Statesman" Lie Nailed.

Dr. C. A. Hoover, Chairman Silver Republican Central Committee, Montpelier, Idaho.
DEAR SIR:—It would seem that my actions during the present political campaign would be sufficient to show to the people of Bear Lake county and the state of Idaho my position, but it has come to my notice that different parties claim I am a gold (McKinley) republican, basing their authority, I understand, upon a statement that appeared in the Boise Statesman. This statement is absolutely false and in no wise represents my position.

I always have felt since full investigation, and still feel, that silver is the paramount issue; that its free and unlimited coinage is necessary to the prosperity of the great mass of all the people, especially those who toil for their daily bread and, being their friend, I could not, and be honest, do otherwise than endorse the cause of silver, and I shall exert every honest effort for its success and the success of those candidates who feel as I have expressed myself as feeling in this great issue.

Yours most truly,

W. W. CLARK.

One Honest Man in Politics.

I hereby declare myself to the people of Bear Lake that I am not a participant on the McKinley republican ticket. However, I highly appreciate the honor tendered me by that party and also knowing that if elected, I would do much good in the way of honest legislation for my people, yet having so often expressed my honest convictions as to the free coinage of silver, I could not conscientiously accept that nomination be it ever so honorable in function and sure of election.

Yours very respectfully,

Albert Herman.

Republican Speaking.

The silver republican campaign proper for Bear Lake county was opened Monday at St. Charles by W. E. Borah, candidate for congress, and J. H. Hawley, both of Boise. The same evening they spoke at Paris to a large audience. The next day they addressed the people of Liberty and at night Montpelier citizens had a chance to hear them. The L. D. S. meeting house was comfortably filled when Mr. Hoover introduced J. H. Hawley as the first speaker. He gave a brief history of the populist-democratic convention recently held in Boise and read telegrams and letters showing how the national chairman of both these parties desires the return of Senator Dubois to the United States senate.

Mr. Borah spoke only a short time,

but his known reputation as an orator lost none of its laurels. He spoke wholly for silver and the election of W. J. Bryan and loud applause greeted his many points. There is no denying the fact that he made a splendid impression on the people of Bear Lake county by his open non partisan method of speaking on the political issues.

Local Happenings.

The Mills hotel now has a fine sample room arranged for the use of commercial men, in the building next door to the bank.

It is a fact worthy of notice, that S. P. Emelle the Jeweler turns out his repairs in a workmanlike manner. All work guaranteed. 61

Frank G. Raible, an old time newspaper man and wife are guests at the Hunter house. Mr. Raible is delivering work from the Chicago Portrait Co., in this section.

A complete stock of combs, brushes, fountain syringes, trusses and all classes of rubber goods at Riter Bros. Drug Co. Prices the lowest, quality the best. 29

Miss Annie Osborne and brother Ashel and his family are down from Rexburg spending a few days with friends and relatives in this city.

The largest stock of paints, oils and glass in Bear Lake county at Riter Bros. Drug Co. The goods are first quality and prices low. 33

The Mutual Improvement association opened their meetings last Sunday evening for the season. A good program was given and a large audience was in attendance.

Pure wines and liquors for medicinal purposes. Also bottled goods, from beer to champagne at Riter Bros. Drug Co. 33

H. Smith Wooley's store in Paris was broken into and robbed last Tuesday night. Considerable merchandise was taken and there is no clue to the robbers.

The Star restaurant believes in free coinage, and a small piece of silver (25 cents) will buy the best meal to be had in the city. Try the new management at the old stand. 33

A masquerade ball will be given in the Consolidated Implement Co. hall on Friday evening October the 23rd. The best music that can be had in the valley will be in attendance. Tickets \$1.00

We want to call your attention to the finest line of soaps ever seen in Montpelier. Cheapest and best assortment. See our 5-cent soap display in window. Hoover's Drug store. 33

Fresh tripe and pigs feet just received at H. H. Hoff's meat market. The finest stock ever brought here. Also home rendered lard put up in tin buckets made expressly for my market. Same price as foreign product and quality infinitely better. H. H. Hoff. 33

Judge Patton, besides attending to his official duties and doing a little campaign work, united four happy hearts this week. The first pair were Jacob Larsen and Miss Clara Glonner on the 28th of last month and the second David Edwards and Miss Dell Carey of Soda Springs on the 29th.

Just received, an immense line of Dry Goods, including Calico's and Dress goods of all kinds. The handsomest line ever shown here and at prices as low as the lowest. Quality guaranteed. Call and see them. Jones & Son. 32

Orson Grimmer's many friends in this section will be glad to learn that he has been re-nominated for the office of sheriff in Fremont county, Wyoming, which position he has already filled two years. Inasmuch as he has made a model officer and has a host of friends' reelection is a foregone conclusion.

The following prominent guests are noted at the Mills hotel this week: Judge H. V. Grosbeck, of Wyoming; Hon's. James H. Hawley, W. E. Borah, Chas. Durran, Frank Stuenenberg, and Captain Gunn. This new hostelry seems to be getting right into the swim from the jump. 33

An elegant line of men's, ladies and children's Woolen Hosiery at Hammond & Whitman's. Our word for it that you never bought woolen hosiery as cheap as you can of us. 31

A. J. Cruikshank brought in a monster turnip from Thomas Fork this week. It weighed without the tops nineteen pounds, was 36 inches around and apparently solid. He said this was only a sample out of a considerable patch he has grown this year. Thomas' Fork is evidently all right in more ways than one.

This, Friday evening Jos. Gunn, the democratic candidate for congress, and Frank Stuenenberg, candidate on the same ticket for governor, will address the citizens of Bear Lake at Paris in the court house, and Saturday evening they will speak in the opera house in Montpelier. Bands have been engaged for both events.

George Bourne of Cokeville has purchased the Star restaurant and will conduct the same in the future. This stand has always had a good business and Mr. Bourne will leave nothing undone to increase the same and make the Star more popular than ever. The same force that was employed by Mr. Hagen will continue in his service. Give the proprietor a call.

Ed Rich left for Salt Lake Saturday evening and about the 17th he will leave for England on his mission. Before going Ed raffled a watch which fell to Fred Hansen, and the latter in turn presented it to Ed so that he was ahead just \$25 and still had his time-keeper to mark the hours and minutes during his two years sojourn abroad. The EXAMINER will follow Mr. Rich and keep him posted on events at home.
