HELPFUL HOLIDAY HINTS.

We like to make our advertising helpful. We believe that the reason holiday buying is often so trying, is simply because the right goods and the right people do not get together. There may be right at hand the exact gift that would please you best, but without the advertising to suggest the gift to you, your selection is difficult and may go amiss altogether. We believe if you will read our advertisements carefully you will be saved much labor and worry. We believe you will be able to do much of your Christmas shopping right at home; that you can there pass calm judgment on the suitability of respective gifts, and then come to the store with half the labor accomplished.

We briefly outline the stock here so as to afford you as many suggestions as possible. The individual articles must await your coming to the store to be properly presented.
