### Big Cut in Millinery.

Owing to the fact that our millinery did not arrive as soon as we expected, we have not been able heretofore to offer our spring line. Now it is in, and in order to move it quickly we propose to slaughter the prices on everything.

Children's hats, we intended to sell at from \$1 to \$3, will now go at 50cts to \$1.50. They are worth twice the money.

We have also a big stock of elegant new hats for ladies that we will sell at one-half the prices we expected to charge if our stock had gotten in on time.

Come in and look our line over. You will find the greatest bargains here ever offered in this city.
