

# Announcement

Beginning Saturday, February 19, no more merchandise will be sold on credit in this store.

We expect to sell as much as before—even more. But all the sales will be for cash and, ONE PRICE TO ALL.

We are going to make the change in your interest as well as in our own.

What you are interested in, is the fact that under the new deal we are going to sell you things for less money.

You see, when we get cash, we can pay cash—this means a saving in our buying, and we will pass the benefits along to you.

Of course we will not get as much money for our goods under the cash basis, but we will get the money when the sale is made and can afford to take less than when we have to wait sixty or ninety days for our money.

Why can we do this?

We can then discount our bills and save considerable and will not, above all, have to borrow from banks to pay our bills.

Watch for the big sale circular.

We will sell goods for less than cost during sale week.

Remember the date, February 19.

### SIGNS OF DANGER

That Should be Heeded by Montpelier People.

There's serious danger in neglecting any weakness of the kidneys. The warning that Nature gives should not be overlooked. If troubled by too frequent passage of the kidney secretions; burning or scalding; if the secretions are highly colored and contain sediment when left standing—if you have backache, too, with frequent headaches and dizziness, make up your mind that your kidneys are affected and begin using some reliable kidney remedy. Deaths from kidney disease have increased in the United States alone, 72 per cent in the last 20 years. The risk is great—you can't afford to delay. Montpelier people recommend Doan's Kidney Pills. Can you ask for better proof of merit than the statement of this Montpelier resident?

Mrs. Anna Hansen, Tenth St., Montpelier, says: "I have had great benefit from Doan's Kidney Pills and I recommend them as a fine kidney medicine. When kidney trouble was bothering me, it took this medicine only a short time to rid me of it. I don't believe Doan's Kidney Pills have an equal in curing kidney complaint." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hansen had. Foster-Milburn Co., Props., Buffalo, N. Y.

"Ask and ye shall receive, Seek and ye shall find, Knock and it shall be opened unto you."

There is not a church on earth but what has many good points in it which many of us know nothing about. That is why we are asking you to ask all the questions you wish. This Mission is not given with the idea of making converts but of making men and women THINK of things they should know and understand. Christian, ask because you wish to know WHY we do certain things in the Church. Men and Women, ask because you are searching for the truth and have not as yet acquired a Church home.

Every man is Seeker of Truth knowing full well that this is the greatest thing he can find. Seek a Road in Life which will enable you to understand your fellows and draw nearer to your God. Do not be sceptical. Do not sneer. The need of God has been proved by pages of history. YOU need Him more than you realize. Then SEEK to know Him better during this week.

Knock at the door of the Saviour's love and goodness. The door will be opened to one and all but the man must first knock, must take the first step. Life is not full of discouragements and afflictions as some think. Understand Christ and you will understand men. Turn from him and men will turn from you without knowing WHY they turn.

### Come to the Mission

Come because you want to know something about a church that has come down to you through the ages. You will be answered if you ask. Come because you believe that a week so spent will make you a better man or woman. Give us a trial that we may preach to you, not the dogmas of the church, but the message of Jesus Christ. Come to the mission and understand us better.

## THE COMFORTS OF LIFE

He who spends as he earns is destined to toil continually for life's necessities.

Fate smiles upon the man who looks ahead—who lays aside regularly a part of his earning.

An important step on the high road to success is the opening of a bank account. Now is the time.

We cordially welcome new depositors.
