

## BOY SCOUTS HAVE BIG CELEBRATION

The Scout program which was scheduled for Washington's birthday but postponed on account of deep snow, was pulled off on Main street Saturday afternoon beginning at 1 o'clock. Many out of town people were here and witnessed the excellent program, and Main street was lined with people all afternoon.

At 1:30 the sports commenced with the Single Dog races, which was run in four heats, due to the number of dogs entered. The race was close, Walter Gertsch's dog leading most of the way, except when near the finish, when the Gertsch dog stopped for a fight and "Lady" a trained dog belonging to Baird Lemmon of Cokeville drove straight through the crowd to the finish. The honors were equally divided between the two.

The final heat of the double team race was hard fought from the start. Donald Cruikshank, driving a bulldog and a large black wolf-hound, crossed the tape but a few feet ahead of Charles Wells, with a team of collie dogs.

Donald Cruikshank also finished first, for the \$25 cash prize, in the three dog team race, without much competition. Three dog teams started, but two teams ran considerable trouble due to strange dogs being hooked together. The distance covered was about two and one-half miles. Time 42.50. It was well demonstrated that success in the dog team races was due to careful training of the dogs.

The Ski race was won by Reed Hansen with Sherman Dunn, second. The archery contest drew a large crowd with numerous entries. First prize for target shooting was awarded to Sherman Dunn, it being a 6 1/2 foot maple bow. First prize for distance was won by Harvey Bateman.

Directly after the races, the boys hiked up the canon, where a mulligan, including, wieners, buns, cocoa, and apples were served.

A big Scout meeting at the Pavilion and a picture show at the First ward hall completed the Scout rally, with everyone well satisfied and everybody looking forward for the big next year's event.

The Nounan basket ball tossers in the M. I. A. league, went down to defeat before the hoopers of the Third ward in a spirited game in the Pavilion last Saturday evening. The score was 7 to 63. ## M. I. A. CHARACTER BALL, BIG SUCCESS

The M. I. A., workers of the Second ward staged a novel event last Friday evening in the ward amusement hall when scores of people attended a well arranged and successful character ball. Much amusement was created by the various make-ups represented in the hall. Some of the most conspicuous characters were "Martha Washington," by Poly Roghaar; a typical old maid by Mrs. A. J. Ashley; the English Duke by Mat Einginger. Perhaps the best of all was the portrayal of the "Damm Family," by Mr. and Mrs. Leoy Jones, with Margaret Tueller, Leona Baker, Verda Van Orman, Irene Knutti, Minnie Schick, and Lovilla Loveland, as the "Damm children."

The party was a success financially, and netted the organization a sum worth while the efforts.

## LOCAL FARMERS ATTEND MEETING

The meeting of farmers in the Montpelier district held in the City Hall last Thursday evening was attended up about twenty persons, all of whom showed much interest in the program of activity. Outlined by County Agent Chase Kearl, who gave a comprehensive report of the achievements of the county farm bureau for the year 1921.

Bishop W. L. Perkins, chairman of the local farm bureau unit, presided at the meeting, and many items of interest were discussed, such as a county fair, crop pest control and wheat verification. The discussion was freely participated in by those present, and the following committeemen were named for the coming season's campaign: Fred Noffsinger, potato improvements; Walter Hancock, wheat verification, and Tom N. Sneddon, pest control. W. Louis Perkins was re-elected chairman of the local unit.

The farmers were urged to get action on the various things discussed, and all pledged their support of the program.

## CONSIDERABLE SICKNESS IN BEAR LAKE COUNTY

Local physicians report that there is a great deal of sickness in Bear Lake county at the present time, but that there are no real severe cases. This condition is not confined to Bear Lake county, by any means. Newspaper reports from practically every part of the country bear similar news, and it seems to be a nation-wide plague. The malady seems to be a peculiar form of grip, and when properly handled the victims are all over the spell in two to five days, and no ill effects remain.

However, the physicians are urging the people to handle the disease with due precaution, and not be too confident that the malady, when it strikes you, is going to be a mild one.

## IMPORTANT ROAD MEETING TO CONSIDER BONDS

Today in Paris the special road committee which represented Bear Lake county in Boise some weeks ago, is reporting its investigations as to available state and federal aid to the county commissioners. Many interested citizens of the county attended the meeting. The general sentiment in the county is favorable to issuing bonds in order to secure for this county approximately \$100,000 of state and federal aid, provided the county will advance \$55,000.

## MASK BALL WILL BE BIG EVENT

The second annual mask ball to be given in the Montpelier Pavilion on the evening of March 21st will be an extraordinary event, and preparations are being made to handle one of the largest crowds that has ever assembled under the roof of that popular hall. Prizes will be given for the best lady's make-up, and the best gentleman's make-up, and the best sustained character will also be rewarded for the effort.

A costumer will be in Montpelier from Salt Lake City on the day of the ball with a complete line of the latest costumes which may be rented at a reasonable fee. Prices of admission will be 75 cents for gentlemen in costume and 50 cents for ladies in costume, and 50 cents for spectators. Unmasking will take place between 11 and 11:30 p. m., after which everybody will dance until 1 a. m.

## Funeral Services For Worthy St. Charles Woman

St. Charles.—Funeral services for Mrs. Anna Mattson Olsen were held here on February 20 in the St. Charles chapel. The services were presided over by Bishop J. A. Hunt and the invocation was offered by Wm. H. Michelson and the benediction by J. W. Lintford. The speakers all of whom paid a glowing tribute to the life and character of the deceased, were E. M. Allred, Wm. C. A. Keetch, Mrs. Nancy E. Pugmire, Pres. Ola Transtrum and Bishop Hunt, all life-long friends of Mrs. Olsen.

When word of the death of Mrs. Olsen, which occurred on Feb. 17th, a feeling of gloom was cast over the community. Her father, Ola Mattson, 82 years of age, passed away suddenly on Jan. 26, 1921. Mrs. Olsen never overcame the shock incident to the death of her father. She was the wife of Parley Olsen, both of them being born and reared in the community, and resided here since. Besides a husband, Mrs. Olsen is survived by the following brothers and sisters: Andrew and Ola Mattson of Meadowville, Utah; Victor Mattson of California; Mrs. S. W. Jones of Bingham, Utah; Mrs. George Wallstrom of Ogden and Mrs. Lawrence Stewart of St. Charles.

## SHORT LINE STILL FIGHTS THE SNOW

The Oregon Short Line has had endless trouble during the past few weeks on account of deep snow in the first and second districts. The company has employed as high as fifty men in the local yards the past ten days in removing the snow from the parts where the most switching is done. Along the road between McCammon and Kemmerer, crews of men have been kept at work almost constantly in an effort to keep traffic on the move with the least delay. Keeping all the switches free from snow and ice along the one hundred and fifty miles of track through the snow belt, has been a tedious one and required hundreds of men. In windy sections it has been almost impossible to keep the tracks open.

A 90-mile wind in the vicinity of Beckwith, between Cokeville and Sage, held up traffic many hours on Tuesday. For several hours as high as five passenger trains were either tied up in the drifted snow or held back on account of the blockade in that vicinity. The engine of one of the westbound trains left the rails at one point in trying to plow through but as the train was moving slowly, only the front trucks got off, and the locomotive was easily pulled onto the tracks again by a train in the rear.

It has been a constant battle with snow on the part of the railroad during the past few weeks on account of excessive snowfall.

## PUPILS OF PROFESSORS TUELLER APPEAR IN CONCERT

The recital given last night by A. C. and J. B. Tueller in the tabernacle in which their pupils in piano and violin were featured, proved to be a most delightful and entertaining affair. The recital was fairly well patronized, despite the extreme cold weather, and the numbers rendered by the pupils were delightful.

The winning orchestra selection was "English Hunting Scene" by the High School Orchestra, assisted by Harold Toomer, trombone, Wilford Tueller, cornet, and Charles O'Connor, drums.

Piano solos were well executed by Miss Isola Dunn, Miss Tanner and Miss Edna Rich. Violin solos by Charles Locks and Miss Elaine Stuart. Prof. A. C. Tueller and Russell Welker rendered a violin duet.

## DISTRICT COURT IN SESSION

Judge Robert M. Terrell of the Fifth district court, opened the February term of court in the county seat yesterday. Owing to bad train schedules on account of snow and ice the court officials did not reach Paris in the morning as planned. In the afternoon, however, the judge examined the calendar, and disposed of a number of regular court business.
