\$60,350 in Loan Oversubscriptions

Report Made by J. S. Hogue, County Chairman, Shows En- vialbe Record in Drives.

J. S. Hogue, Chairman of the County Liberty Loan Committee, furnishes the Republican a condensed report of Liberty Loan subscriptions since he took active charge of this patriotic work. Mr. Hogue handled the second, third, fourth and fifth loan drives and by his active labors has placed Clearwater County in the roll of honor for liberal subscriptions. The total quota for these four loans aggregate \$290,000.00. Clearwater County subscribed \$350,350.00, thus "going over the top" \$60,350.00. Mr. Hogue's expenses in boosting and carrying through this stupendous work amounts to less than \$200.00 which is an envialbe record.

The Fifth Victory Loan quota for the state of Idaho was \$11,150,000, and \$11,681,200.00 was subscribed, putting the state "over the top", in the several loans, \$531,200.00, a record that Montie B. Gwinin, the State Chairman and his energetic assistants, throughout the state, may well be proud of. There were 54729 subscribers for the Fifth Liberty Loan.

Mr. Hogue's expenses for the last loan was but \$60.35, which is a record for economy in raising an amount of \$72750.00.

Mr. Hogue feels greatly indebted to the local workers of Clearwater County in making his labors a success, and wishes to thank the patriotic workers in each precinct for their untiring efforts to assist him in putting this loan through.

Boy Scout Movement.

It is being planned to have a Boy Scouts encampment some day next week, in Orofino. It is intended to have a luncheon and to encourage the enrollment of adults as associate members of this popular junior national movement. Boy Scout Week will be observed in the larger places and an interesting program carried out. The Boy Scouts of America rendered notable service to the nation during the war in Liberty Loan and War Savings campaigns, in aiding in Red Cross and other war work agencies and is a movement that deserves encouragement.

The churches are requested to observe Boy Scout Sunday, June 8th.

Governor Davis has recommended the observance of this program and it is hoped that the encampment will be well attended.

Oscar Bennett Succumbs.

Mr. Oscar Bennett, an old and respected resident of Fraser, died at St. Lukes Hospital, Spokane, Monday, May 26, and was interred at Fraser, Wednesday, May 28, at 2 p. m. Mr. Bennett was born in Randolph County, W. Va., and was forty-six years of age when he died. He was taken to Spokane on Monday, May 5, accompanied by Dr. Horswill, for medical treatment.

Mr. Bennett had resided in Idaho for eighteen years previous to his death, two years of this time a resident of Coeur d'Alene, and sixteen years a farmer in the Fraser country. He leaves a wife and two year old child to mourn his death. Walter Bennett, also of Weippe, is a brother of the deceased. One sister, Mrs. Albert Harper, of Elko, Nev., two sisters, Mrs. Harlan and Mrs. Barnes, and a brother, Jonathan Bennett, all of Oklahoma, survive their brother Oscar.

Mr. Bennett was well and favorably known in the Fraser country and his many friends offer their sympathy and condolences to the bereaved widow and saddened relatives.

BUY CHAUTAUQUA TICKETS

Now on Sale at Orofino Stores.— Price Goes up after 400 Are Sold.

The committee in charge of Chautauqua arrangements held a meeting in the Orofino Civic and Social Club rooms Wednesday evening, to complete preparations for a vigorous campaign of ticket selling. Tickets have been placed on sale at the different stores in Orofino, and can now be purchased and up to the day of opening at \$3.00 for adults, \$1.20 for the grade scholars and \$1.80 for high school students. After the opening hour of the Chautauqua, on Friday June 20th, the price of tickets for adults will be increased from \$3.00 to \$3.50 per ticket, which should encourage the buying of these tickets before opening day. The coming Chautauqua promises to be the most interesting and instructive that has visited Orofino, and an unusually large crowd is expected. War conditions and government loans are now a thing of the past and the public is apparently anxious to settle down to an interesting and instructive series of pleasant diversions which the coming Chautauqua will supply.

Remember, the first 400 adult tickets will be sold at \$3.00 each. After the first 400 tickets, for adults, has been disposed of, the price will be raised to \$3.50.

The first four hundred buyers, therefore, will have the advantage of the \$3.00 rate.

Have those near-fits changed to FitsU by a competent eye specialist, Dr. Schilling, who will be at the Hotel Orofino, on June 19.

Miss Hay Killed, Mrs. Hay Injured In Runaway Accident. Found by Frank Alvoid and Nephew. Sustain Head Injuries.

A sad and fatal accident occurred Thursday afternoon, in Cold Gulch, near Frank Alvoids. Mrs. J. H. Hay, of Grangemont, and her sister-in-law, Miss Mary Hay, were returning to Red Prairie from Miss Hay's homestead, on Quartz Creek, when by some unknown means both ladies were thrown from the hack, apparently killing Miss Hay instantly and seriously injuring Mrs. J. H. Hay. Miss Hay was injured on the back of the head near the base of the skull and Mrs. Hay's skull was fractured above the eyes. The runaway team was stopped by Frank Alvoid and his nephew, on the Cow Creek road, near Mr. Alvoid's place. Mr. Alvoid supposed that the occupants of the hack had left the team untied and the horses had started for home. The horses or rig showed no indication of a runaway, only two traces being loose. Mr. Alvoid took the team back and discovered both ladies lying by the side of the road. He mistook Miss Hay for Mrs. John B. Collins and took Miss Hay's body and

the seriously injured Mrs. J. H. Hay to the John B. Collins place on Quartz Creek, before he discovered his error. Dr. Horswill was called and with Mrs. Samson Snyder drove to the Collins place Thursday evening, returning Friday morning. Mr. and Mrs. Samson Snyder went out this Friday morning with a casket and will attend the funeral of Miss Hay at Pierce today. Miss Hay and Mrs. J. H. Hay are old and highly respected residents of the Quartz Creek neighborhood and their many friends are pained over the fatal and serious accident.

The real cause of the accident cannot be ascertained until Mrs. J. H. Hay recovers sufficiently to relate the circumstances, which her many friends sincerely hope will be in the near future. The Republican extends condolences to the husband and brother of the unfortunate ladies and will be pleased to record the speedy recovery of Mrs. Hay.

New Rural Mail Route June 16

Change in Postage Rates July 1 Letter Go Back to 2 Cents. Stamped Envelops Higher.

Acting postmaster, J. M. Molloy, furnishes the following information concerning the establishment of a new rural route and a change in postage rates:

On June 16, 1919, a rural delivery service will be established between Orofino and Gilbert and Russell, leaving Orofino at 8 a. m. and arriving at Orofino at 3 p. m. The service will be daily except on Sundays. The distance covered by the new route will be 27.2 miles and the compensation for the carrier is \$1512 per annum.

Starting at the post office, the carrier will go in a general southerly direction (irregular) to the W. S. Cunningham place, section 14, 3.9 miles; thence west with Jags north (irregular) to the J. B. Dixon corner, 2.5 miles; thence south, east south and east to the L. Walker corner, 3 miles; thence south by Gilbert post office, east, south, east, south and west to the W. J. Ramey corner, 3.5 miles; thence south (irregular) to the Gil King corner, 2.2 miles; thence east to the I. O. O. F. Hall corner, one-half mile; thence south to the Russell post office and retrace, 2.5 miles; thence north, east and north to the M. Olson corner, 2 miles; thence east and north (irregular) to the third branch road in section 20, Indian land, 4 miles; thence northwest (irregular) to the intersection of road at Clearwater bridge, 2.6 miles; thence to Orofino postoffice, one-half mile.

It may be necessary to employ someone temporarily until such a time as the regular appointee can qualify. Those who can qualify for this work should take the matter up with Mr. Molloy at once.

Beginning July 1, 1919, the rate of postage for first-class mail will be 2 cents per ounce or fraction thereof, and for domestic postal cards 1 cent each.

A new rate for stamped envelopes and newspaper wrappers becomes effective July 1, 1919. The rate will be increased 12 cents per thousand on stamped envelopes No. 5 and No. 13 both printed and unprinted.

All orders placed during the month of June in time for same to arrive at Washington, will take the old rate. All orders arriving after June 30th will come under the new rate.

Those using large quantities of stamped envelopes should get their orders in this month so as to get the advantage of the lower price; and also avoid the delay that will necessarily follow in filling orders for the new stamped envelopes after July 1, 1919.

Woman Suffrage Bill Is Passed

Result of Forty Year Fight.—Is to Be up to the State Legislatures for Ratification.

Washington, June 4.—Action by congress on equal suffrage—subject of a fight of 40 years' duration—ended late today in adoption by the senate by a vote of 56 to 25 of the historic Susan B. Anthony amendment resolution.

The proposed amendment adopted by the house by a vote of 304 to 89 May 21 as the first act of the new congress, now goes to the states for ratification by legislatures of three-fourths of which is required for its incorporation in the federal constitution.

Immediately after the senate's action the resolution was taken to Speaker Gillett's office and signed. It was rushed back to the senate for its presiding officer's signature, but arrived after the senate had adjourned and will be approved tomorrow. President Wilson's signature, it is stated, is not necessary, although the resolution will be sent to the White House as usual and may be signed by the executive. It will be certified to the states by the state department.

Of the absentees, Senators Owen and Robinson favored the resolution and Senator Smith of Georgia was an opponent. Including paired and absent senators the actual senate lineup was 40 republicans and 26 democrats for the resolution and nine republicans and 21 democrats in opposition.

The amendment reads: "Article, Section 1: The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any state on account of sex.

"Sec. 2. Congress shall have power, by appropriate legislation, to enforce the provisions of this article."

All efforts to amend the resolution failed.

Since the resolution was drafted by Susan B. Anthony, the woman suffrage pioneer, virtually a continuous fight has been waged for its submission by congress to the states. Among the spectacular features of the campaign was the picketing and other demonstrations of the so-called militant suffragettes, of whom between 400 and 500 have been arrested and 164 given jail sentences.

President Wilson, September 30, addressed the senate and urged adoption of the resolution as a war measure and reiterated his request for congressional approval in his message to the present congress.

Senate adoption today followed four rejections. It was defeated in 1887 when it secured only 14 affirmative to 34 negative votes. In 1914 the senate voted it down by 11 votes. Again in September, 1913,

it was rejected by two votes, and again last February by one vote. The house voted upon the resolution three times, rejecting it in 1915 by 78 votes, passing it in 1918 by a margin of one, and again two weeks ago with 14 votes to spare.

Ray Myers Returns.

Ray Myers, a Clearwater county boy and overseas soldier, returned from France, Sunday afternoon.

Ray experienced considerable heavy fighting in the Argonne Forest and Bellau Wood. He followed the Huns through Luxemburg and beyond the Rhine. Ray took part in some of the heaviest battles fought in France and escaped without injury. He was gassed quite severely, but apparently has entirely recovered from its ill effects. He fought almost side by side with Leo Schroeder, of Fraser, and told how they would each enquire for one another after every battle. Ray relates many interesting stories of his strenuous war experience.

Go to the Rex and see Charlie Chaplin in "Police." The picture will be shown Friday and Saturday evenings and matinee Saturday afternoon.

WEDDING AT PARSONAGE

Miss Moore is the daughter of Rev. and Mrs. Moore of this city and has a large circle of friends who wish her happiness and prosperity in her married life. Mr. Stevenson for the last several years has been the chief electrician of the Leavenworth Power and Light plant and is known in that community as a fine and energetic young man. He was in the service for two years during the war as a U. S. Marine. The ceremony took place at three o'clock the father of the bride officiating. The young married couple left Orofino Thursday morning for Spokane, where they will spend a short honeymoon and then take up their residence in Leavenworth, where Mr. Stevenson will resume his duties again with the power plant of that place.

Bemis Has Break Down.

Mr. Bemis was trucking from Pierce to a point eight miles toward the Oxford but had to discontinue the work on account of bad roads. He took out a considerable quantity from Pierce which will have to be taken further by pack train to the Oxford headquarters.

Firemen Will Initiate Twelve

Plan Big Affair for New Members.—Lewiston Boys to Conduct Program.

An enthusiastic meeting of the members of the Orofino Volunteer Fire Department was held Monday evening, June 2 in the city hall, to arrange for the initiation of new members into the vigorous organization. Monday, June 3, was the date fixed for the ceremony that will introduce the new aspirants for firemen's honors into the mysteries of the fire fighters. A special team, from the firemen's organization of Lewiston, will conduct the initiation program and put the candidates through the circumvolutions of the strenuous ceremony. The doings will take place in the K. of P. hall and a banquet will follow at the Cottage Hotel. Invitations have been sent to firemen in outlying towns, and a large number of visitors are expected. Following are the names of the intended victims: M. R. Nofstger, R. H. Weston, Dr. E. W. Horswill, Samson Snyder, F. K. Bemis, W. H. Gillespie, Oren Crockett, C. D. McEachron, F. T. Smith, Joseph Kauffman, E. J. Phillips and Lloyd Hill.

He left San Francisco in March on the steamer Northern Pacific, and went to the Atlantic coast via the Panama Canal. He cruised along the eastern coast on the U. S. S. Wisconsin and Pennsylvania. He was lately discharged from the service at Salt Lake and will locate near Russell and engage in farming with his brother.

Methodist Church Notes.

Next Sunday is the seventh since Easter, and in that interval stands for Pentecost. Pentecost is the real beginning of the third, or Holy Spirit Dispensation, and is one of the most important events in the history of the church. The Bible very clearly points to a personal Pentecost for every believer.—Acts 2: 38-39. So in the sermon Sunday morning, "Pentecost, a present day experience for the church and the believer," the theme is timely, and the subject vital. You are invited. F. L. Moore, Pastor.

Don't fail to see Charlie Chaplin at the Rex in "Police" at Saturday's afternoon matinee.
