Visit the schools.

Teeline Weinmann visited her parents at Ahsahka over the week-end.

Clara Austin started to school Tuesday, making another member for the Freshman class.

The Glee Club is faithfully practicing. It is expected there will be some concerts before spring.

Marvin Dickson, Anna Olson, Joy Armstrong and Remy Gamble were absent the first of the week.

Vocal music under the direction of Mrs. Kimble is now being taught in all the grades as well as in the High School.

Mr. Kimble and Mr. Shannon spent the greater part of Saturday hunting and exploring the surrounding country.

Miss Kennedy and Mr. Kimble explained the use and practice of parliamentary law to the 3rd and 4th year English Classes Monday.

Supt. Faulkner gave a short talk Friday. The substance of his discourse being that one should not lead an aimless existence, but should map out both a daily and life program. In other words it does not pay to be a drifter.

Why not boost for a Literary Society? Principal Kimble in a talk to the assembly the other day suggested this as one of the best means for training the students to take part in the future political life of the country. This society trains a person in such a way that he is better enabled to combat such political machines as the Mayor Thompson ring in Chicago.

The line-up of the football team for this season, as announced by the captain, Remy Gamble, is as follows:

George Oliver, center; Carl Hoffman, left guard; Andy Baker, right guard; Bill Johnson, left tackle; Forest Edmonson, right tackle; Sam Snyder, left end; Jim Gamble, right end; Remy Gamble, quarter-back; Bob Oud, full-back; Roland Kauffman, half-back; Jess Honeywell, half-back. The captain also announces that a game is scheduled at Genesee, Sat. 15th; also there will be one at Lapwai the 22nd.

The 3rd, 4th and 5th grade children are preparing to buy a volleyball, a place having been found for another court.

Mabel Walsh and Eula Bryant spent Sunday very pleasantly up Whiskey creek hunting and camping with the Bryant family.

The Senior class has two new members in the persons of Georgia Summers and Ruth Faulkner, Miss Faulkner coming from Pullman, Wash.

The school board furnished the High school assembly with a new blackboard last week, which was greatly appreciated by the instructors as well as the students. It will be used especially for announcements and music notes.

Jess Honeywell and Agnes Edmonson, O. H. S. yell-leaders, spent a short time in the assembly Wednesday practicing school yells and songs as a send off for the football boys in the coming game with Genesee. The yell leaders are endeavoring to put a little more "pep" in the athletic part of the High School this year and it is hoped that the students, as well as the football and basketball teams, will do their best to aid them.

The biology students had a great deal of fun Wednesday when, under the supervision of Mrs. Kimble, they took a hike up Orofino creek in search of insect specimens. Before setting out most of the party had secured common bugs, but "beautiful specimens" such as dragon flies were uncommon, so they became objects of much interest. It was quite amusing to see the boys running distractedly about wildly waving nets in their efforts to catch the usually victorious dragonflies, and it was no less amusing to see the girls quite as closely pursue the boys in hopes of gaining a share of the spoils of victory. Mrs. Kimble is to be complimented in adding a new phase, i. e. insect hunting, to the class.
