To the Federal Reserve System of the U. S. is due the credit for financing war work with but little shifting and no uneasiness. It is through the co-operation of over 8000 of the best banks in the country with the largest and strongest financial institution on earth that all enterprises essential to the winning of the war have received fair and liberal assistance in maintaining and extending their business. Farming holds right of way at the First National Bank of Emmett, Idaho—deposit your grain and stock receipts here—have the strong backing that only a bank in the Federal Reserve System can give you.

Tents, all sizes, at Reilly's.

Mrs. Everett Barton left Tuesday for Camp Lewis to visit her husband, Everett Barton, who is in training there. Mrs. Cartee Wood arrived Wednesday from Boise to take charge of the Barton home during the absence of Mrs. Barton.

Little leaks sink big ships. Luxuries you can't afford are barnacles which will surely delay your ship of success. A savings account at the First National Bank is an anchor, tried and true, which will help you weather the storms of life.

A letter from B. C. Bowers, renewing his subscription to the "Great Family Guide," says: "The children are both in school. I think the change to this climate has been very beneficial to the health of Mrs. Bowers and myself. My health is much improved, but I get pretty lonesome for Emmett and the bunch. We all send best regards to all the Emmett folks."

Hunting Forbidden

Hunting on my ranch on the river below town is strictly forbidden and trespassers will be prosecuted.
I. L. BURTON.

People's Column
