GRAND PREMIUM OFFER! A SET OF THE WORKS OF CHARLES DICKENS,

In Twelve Large Volumes,
Which we Offer with a Year's Subscription to this Paper for Our Regular Subscription Price.

Wishing to largely increase the circulation of this paper during the next six months, we have made arrangements with a New York publishing house whereby we are enabled to offer as a premium to our subscribers a Set of the Works of Charles Dickens, in Twelve Large and Handsome Volumes, with a year's subscription to this paper, for a trifle more than our regular subscription price. Our great offer to subscribers is only one ever in our history made. Charles Dickens was the greatest novelist who ever lived. No author before or since his time has won the fame that he achieved, and his works are even more popular to-day than during his lifetime. They abound in wit, humor, pathos, masterly delineation of character, vivid descriptions of places and incidents, thrilling and skillfully wrought plots. Each book is intensely interesting. No human could be without a set of these great and remarkable works. Not to have read them is to be far behind the age in which we live. The set of Dickens' works which we offer as a premium to our subscribers is handsomely printed from entirely new plates, with a new type. The twelve volumes contain the following world-famous works, each one of which is published in a separate, uniform, and absolutely beautiful volume:

DAVID COPPERFIELD,
MARTIN CHUZZLEWIT,
NICHOLAS NICKELBY,
DOMBEY AND SON,
BLEAK HOUSE,
LITTLE DORRIT,
OUR MUTUAL FRIEND,
PICKWICK PAPERS,
BARRY RUDGE AND CHRISTMAS STORIES,
OLIVER TWIST AND GREAT EXPECTATIONS,
THE OLD CURIOUSITY SHOP AND THE UNCOMMERCIAL TRAVELER,
A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF EDWIN DROOD.

The above are without question the most famous novels that were ever written. For a century they have been celebrated in every nook and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens' works, the most high cost of the books preventing people in moderate circumstances from enjoying this luxury. But now, owing to the use of modern improved printing, folding and striking machinery, the extremely low price of white paper, and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to pay. Every home in the land may now be supplied with a set of the great author's works.

THE ODELL TYPE WRITER.

\$20 will buy the ODELL TYPE WRITER with 78 characters, and \$15 for the SINGLE CASE ODELL, warranted to do better work than any machine made.
It combines SIMPLICITY with DURABILITY, SPEED, EASE OF OPERATION, wears longer, without cost of repairs than any other machine. Has no ink ribbon to bother the operator. It is neat, substantial, nickel plated, perfect and adapted to all kinds of type-writing. Like a printing press, it produces sharp, clean, legible manuscripts. Two or ten copies can be made at one writing. Any intelligent person can become an operator in two days. We offer \$1000 to any operator who can equal the work of the DOUBLE CASE ODELL. Reliable agents and salesmen wanted. Special inducements to Dealers.
For Pamphlet giving Inducements, etc., address
ODELL TYPE WRITER CO.
25 and 27th Ave. CHICAGO, ILL.

C. W. HOLCOMB, ATTORNEY-AT-LAW,

Office Rooms 611 F street, Washington, D. C.
(P. O. BOX 574.)

Practices in United States Supreme Court, Court of Claims, before Committee of Congress, and in all the Departments of Government at Washington.
Obtains patents to all classes of Public Lands, and gives special attention to contests before the General Land Office and Interior Department.
Has an experience of eleven years in General Land Office as Chief of Pre-emption Division, Recorder, Chief of Mineral Division, Chief Clerk and Acting Comptroller, and Inspector of Surveyor General, and District Land Office, and one year as Law Officer of Indian Bureau.
While not presuming to gratuitously advise, he ventures to suggest, as a result of his experience that no land contest can be safely conducted by the best lawyer, at remote points; and that the lawyer in a Land District, who has all his ex parte entries—especially of mineral lands—promptly examined on their arrival at Washington, can, by their curing defects, avoiding delay in patents, and being able to accurately, and at all times, inform his clients of the exact status of their claims, gain a positive business advantage over those who permit their cases to drift without direction.
In cases where good reasons exist, he will undertake to secure issue of patent in advance of the regular order.
All business will receive prompt and careful attention.

Refers to Prominent Men throughout the country.
