A woman who gave her name as Lou Morhauste was brought from Firth Monday, being supposed insane, but it was learned that her actions were due to the drug habit. She was released and left for some point in Montana.
People in the country who cannot come to town, and who wish to purchase season tickets for the Blackfoot Chautauqua, may secure their tickets by mailing their checks to Leon Chapman, at the First National Bank, up to Tuesday noon, June 21st.
Deputy Game Warden Lou Robbins is certainly picking them up for fishing without licenses. The minimum penalty for this offense is a fine of twenty-five dollars, and it constitutes a crime to just throw a hook into the water, whether you get a bite or not.
Mrs. H. B. Daniel and Miss LaSalle who arrived Monday from California and will spend the summer on Mrs. Daniel's homestead, were both in the U. S. service in France, and Mrs. Daniel is one of the few women who have the distinction of belonging to the American Legion.
Judge Good on Monday, fined H. Chandler, Wm. White and Sig Christensen twenty-five dollars and costs each for fishing without licenses. The accused men said they caught no fish, but it appears that trying to catch fish constitutes a crime, whether they are caught or not.
WANTED—A salesman in your section. Selling our complete line of Fruit and Nut Trees, Ornamentals, Small Fruits, Roses, will bring you splendid returns for your time. Write for contract and give the work a trial. Salem Nursery Company, 428 Oregon Bldg., Salem, Ore. M27 J17 4t
Prof. C. E. Eichelberger and family are leaving for Boise, where Prof. Eichelberger will be an instructor in the summer school, which is held in the Boise high school building. Prof. Eichelberger, who is now leaving the Blackfoot school, has given five years successful service here as principal of the high school.
Monday evening O'Rourke, the human fly, scaled the wall of the Eccles hotel, with several hundred people as witnesses. His work was very nice, but the building only being three stories high he was not able to thrill the spectators as much as he did in Pocatello, Boise, etc. At the top of his climb he did some good balance work. After he was through with his performance, Merritt Anderson, a local boy, decided to give the crowd some more thrills, and proceeded to climb the building by the electric sign, and after accomplishing the feat was cheered heartily by the large crowd.

Sprague M. Stevens and Robert Massie motored to Challis Tuesday, where they are engaged to do some assessment work in the mines.
