LIVE STOCK.

CHICAGO, June 21.—In cattle there was a good trade from the start and prices ruled strong, with sales loc higher, the supply being well taken. Sales were on the basis of \$3.70/35.25 for common to extra native beef steers, with the bulk of the transactions at \$4.65/44.85. Stockers and feeders showed more strength to-day, and so did good butchers' stuff, but grassy lots continued to sell at very low prices. Texas cattle were offered freely, and sold about 10c higher.

Trade in hogs was slower than usual, and packers succeeded in forcing a further decline of 5c on all descriptions. The bulk of the sales occurred at \$3.274/33.3245, sales being at an extreme range of \$3.10/33.374/5 for the poorest to the best hogs, while pigs bronght \$2.00/43.35.

that women will wonder at, or of these days. They won understand what the woman doing. Even now it look queer to the users of Pearlin to see a woman doublin herself up over a wash-tub.

This old-fashioned, back-break ing way of washing clothes by rubbing them to pieces over a

wash-board can't last. It isn't sensible. The way that is surely taking its place-the easiest, quickest, most economical way-is washing with Pearline. No soap with it-that's entirely needless-nothing but Pearline.
