WHEELING 13; DAYTON 9. YOUNGSTOWN 9; SPRINGFIELD 0.

GAMES TO-DAY-Dayton at Wheeling Springfield at Youngstown, Toledo at New Castle, Fort Wayne at Mansfield.

"Sisterville Billy Campbell's giltedged work in the box won the first game of the Dayton series for Wheeling yesterday. Inexcusable fielding errors by Dayton also figured prominently in the result.

It was Wheeling's first home game for several weeks and if the weather had been favorable a larger crowd crowd was composed exclusively of Score: "rooters." The "knocker" element was conspicuous by its absence. The game was well played from a Wheeling standpoint and the "fans" who were present yesterday may be depended on to spread the good news that the home club is now putting up a good, snappy article of base ball.

It was Wheeling's game from the start, notwithstanding the fact that the Dayton club is one of the strongest in the League. For six innings Campbell pitched phenomenal ball, holding Dayton down to one hit, a single made by Wetzel, the first player to face him in the first inning. They E. Smith, if ..... 4 1 2 3 0 0 and Wilson. Time, 1:54. Umpire, Mc-

helping the thing along. Wetzel was first at bat and died at first. Hogan and Flick singled and the former scored on Reiman's fiy out to Miller. Frank got a life on Deisel's fumble which should have retired the side with one run. Then Greenwald singled, Kellner walked, and McShane and Bates doubled, and six runs were made before Miller got under a fly from Wetzel's bat.

In the ninth Hogan led off and reached first on Shay's error. Flick singled and Reiman doubled to the center field fence, scoring Hogan. Only four runs were needed to tie, and Dayton had men on second and third with none out. Frank popped up a little fly to Torreyson, who fielded the ball quickly to Delsel, completing a neat double play. Greenwald destroved Dayton's chances by surren-

dering at first. The work of the Wheeling club was full of "ginger" and snap. Captain Torreyson was in the game at all stages and his men played ball to win. Bradley, Miller and Messett did some terrific slugging, while the fielding honors fell to Shay and Deisel, who went after eveything in sight. Bates had eight strike outs and an equal number of bases on balls, besides hitting one batsman. He was touched up for thirteen hits with a total of seventeen bases. Wheeling did excel-lent stick work, failing to hit safely in but two innings. The crowd was favorably disposed toward the team and gave generous applause when in

To-day Garvey will probably pitch for Wheeling. He pitched five innings at Ft. Wayne Sunday, but his arm is in good condition. It will be ladies' day and the fair sex will no doubt be out in force, as they have not seen ball game for some time. Taylor has been slightly indisposed, but will be in the game to-day. He will play short and Deisel will hold down the second bag. Torreyson will be on first and either Donohue or Messett will go behind the bat. The visitors will have to play ball to win.

Youngstown, Ohio, August 23.—At the end of the third inning the Spring-field team set up a cry that it was too wet to continue playing. The local team desired to continue the game, and Umpire Hubbard held that it was not raining enough to warrant discontinuing the game. The visitors refused to yield, so the umpire gave the game to Youngstown. The score was 2 to 1 in favor of Youngstown.

New Castle, Pa., August 23.-Rain interfered with the game to-day while the last half of the fourth inning was being played, the score standing 2 to 0 in favor of Toledo.

Stafford and Dolan played wretched ball, and their errors gave the Bostons all the runs they made, Louisville made two hits off Nichols in the first innning, and only one more in the ninth. A fine running catch by Clarke, a line catch by Allen, and a foul catch by Bergen were the only features. In the second game Boston opened on Clarke and pounded him unmercifully throughout the game. They began the first inning with two singles, a triple and a home run, and this was a sample of what happened all through the Clarke's magnificent fielding in left field was especialty noticeable.
