DRAWS OUT POISON

Marvelous Antiseptic That Draws Glands, Wood and Needles From the Flesh.

There never was known such a powerful drawing ointment as San Cura. Wherever it has been used it has created astonishment. It drew a needle out of the foot of the daughter of Mrs. James Hitchcock, of Centerville, Pa., after the doctor had used his lance and failed.

Nothing so healing or antiseptic can be purchased to-day. It possesses so much healing virtue that it is guaranteed to draw out any kind of pus, eczema, tetter, salt rheum, boils, carbuncles, ulcers, all kinds of chronic sores, chilblains and chapped hands, or money back.

It's a mighty handy remedy to have in the house in emergencies such as bruises, burns, cuts or scalds, because it kills the pain instantly. It's a medicine chest in itself—a little family physician that is ever in demand. 25c and 50c a jar at Chas. R. Goetze & Co., 37 Twelfth street, and Will Menkemeller, 3329 Eoff street.

BEST SKIN SOAP
 Is San Cura Soap, because of its great antiseptic and healing virtues. Use it regularly, and it will make the skin soft and velvety; will remove pimples and blackheads. It's the real soap for babies' tender skin, which mothers of infants should remember. 25 cents a large cake, at Chas. R. Goetze & Co., 37 Twelfth street, and Will Menkemeller, 3329 Eoff street. Mail orders for San Cura Ointment and Soap filled by Thompson Medical Co., Titusville, Pa.

Have You Ever Considered

The Importance of Homefurnishings?

The very word Home implies comforts, and what adds more to the enjoyment of a home than beautiful furniture?

Our claim of Highest Quality and Lowest Prices takes in quite a large scope, yet we can prove every word of this claim.

We do not pretend to be the only store selling high class merchandise, but when price is considered along with quality, we challenge competition.

Our Slogan, "Out of the High Rent District," is not merely a catchy phrase. It explains in a nutshell why we are able to give you lower prices than uptown stores. Just consider the amount of space required for the display of furniture and then figure how much greater our running expenses would be were we located in the heart of the city.

Fine furniture is a big item and often requires a rather large outlay of money. Here again we help you with our charge system and on all cash purchases we allow 15% discount off our plain figure price tags.
