Special Dispatch to the Intelligencer.

GRAND RAPIDS, Mich., Aug. 20.—The work of Melbourne Steil, an 18 year old semi-pro just picked up by the Grand Rapids team, started Wheeling down the nine mile lane to a 4 to 2 defeat this afternoon. Steil got his chance through the crippling of Kroy and though an infielder was sent to right field and ejected to lead the batting list. What does this mere youth do on his first time up? Why, nothing but salute Matteson's first fling, a fast straight one, with the far part of his bat and give the ball a ride for a long home run on any baseball lot in the world. After Tydeman had fouled out, Ken Koehler who secured his first home run of the season off Clarke Monday, knocked another out of the lot, giving Grand Rapids a lead of two.

Steil Was Shining Light.

Steil played great ball throughout the game, staring in both departments and getting one-fourth of Grand Rapids hits. On the third he out guessed Matteson for a walk, while the fourth time he rapped one to short and slid in first, apparently ahead of the throw, but Jacobs signaled him out. He had two chances in right one an easy one and one for which he came tearing in for a spectacular catch off his shoelace.

In only two innings of the game did Wheeling look the least bit dangerous, the first when two hits were made off Pfeiffer and two died on the bases, and the final when an inspiring rally was staged which left the Smokes two shy of a tie. Between these periods but one of the Brown and Green reached first, Anderson on a genuine Texas leaguer over third [illegible] he was forced out. How Grand Rapids secured its lead of two has been narrated. One was added in the second, when Barkwell singled to start, he stole second and after Schmick had popped out was driven home by Weeks' double to left. The final local count came in the fifth. Pfeiffer tripled to right as a starter, and scored after Steil was passed and forced out at second by Tydeman's grounder.

Locals Score.

Gray opened the hostilities of the game with a double, Moran popped to Hadley and on Booe's rap into Pfeiffer's mitt Gray was nailed at third. Jansen singled but Servatius was unequal to the demand. At the start of the seventh Haley, suffering from a summer cold became too ill to continue and Booe went behind the bat and Anderson to center. In the ninth the Stogies rallied, scoring two runs after they should have been retired, the only local error contributing to this result. With one gone Moran singled, Booe followed suit, Jansen flew out and the runner was held at first and second. Servatius after fouling off half a dozen won the only pass dispensed by Pfeiffer. Anderson missed two swings, fouled one and then doubled to center, scoring the pair and putting himself on third. Edington furnished the final out on a bounce to Schmick. The score:

PITTSBURGH, Aug. 20.—In the double header here to-day between Pittsburgh and Brooklyn, Umpires Brennan and Owens were both injured in the 1st part of the first game, and two players were called upon to act the rest of the first game and all of the second. As far as is known this is the first time both umpires have been hurt in a major league game. The two teams split the double header, Pittsburgh winning the first, 3 to 2, and Brooklyn the last, 9 to 1. Umpire Brennan, during the first inning of the first game, slipped near second base, injuring his knee cap. Umpire Owens, who was behind the bat, was hit by a foul tip off Jack Miller's bat in the second inning of the same game, his breast bone being broken. It was then decided by the managers of both teams to use players as umpires.

Kuhat, the left handed twirler Shaughnessey tried out last spring and later sent to Ottawa, Canada will report to the Billikens within the next few days. The pitcher has been directly responsible for Ottawa's great showing in the Canadian league and will add a tower of strength to Shaw's hurling department. Shaw has shifted his batting order and as a result the hard hitting Rogers goes down to eighth place and McCafferty comes up from that place to the fifth position. Mac is undoubtedly the best fielding third baseman in the league but up until the past few games has been woefully weak with the stick.

Larry Spahr, former Wheeling backstop is hitting at .327 east for Denver in the Western league.
