ANDERSON WORKS OUT WINTER IN CIGAR STORE

SCRAPPY LEADER OF SMOKES STAYING IN SOUTH BEND.

Making Ready For the Coming Season and Has a Large List of Players.

Manager Edward J. Anderson, better known as "Goat," is spending the winter months in South Bend, Ind., holding down a position of clerk in the leading cigar dispesary of that city, although not as well as the job of manager of the Wheeling club.

On the side "Goat" has an issue which is keeping his mind a whirling and that is plans for next year's ball club. He has lines out for several players and expects to grab a few before the season opens and some of these are expected to come from Barney Dreyfuss. In the catching department Welcher and Wagner will hold down that end, with Welcher the first string man. The pitching department will receive a thorough overhauling and with Graham as the pivot man of the new comers, it is expected to be considerably strengthened over that of last year. Servatius will be seen at first base, Steinbrenner at second, Gray at short and a new third sacker will have to be secured. The outfield will find Rooe missing in center, but Moran and "Goat" will take care of the other gardens. It is probable that after the meeting in Cleveland "Goat" will have some news to give out to the fans.

FELTON PICKS ALL STAR STATE TEAM

SEVEN WESLEYAN PLAYERS INCLUDED IN THE LINEUP.

Captain Boyles, of West Virginia University, Picked for the Guard. Other Players.

Special Dispatch to the Intelligencer.

BUCKHANNON, W. Va., Dec. 3.—Coach Felton, of Wesleyan, today picked an All-West Virginia foot ball eleven. Coach Felton, when accompanying the Wesleyan team, had a chance to see every team of note within the State play, as Wesleyan was opposed to all the teams except Morris Harvey, and enough data was secured on this team to make Coach Felton fairly sure of his men. From every angle Coach Felton is well qualified to pick an all-star team, as he is not only a man of experience in foot ball, but also has had more opportunity to see the men in action than most of the sport writers who have heretofore picked teams. Coach Felton's selections follow:

R. E.—Neale, Wesleyan.
R. T.—Kellison, Wesleyan.
R. G.—Farmer, Marshall.
C.—Lambert, Wesleyan.
L. G.—Boyles—West Virginia.
L. T.—Archer, Wesleyan.
L. E.—Morrison, Wesleyan.
R. H. Shumaker, Wesleyan.
L. H.—Friel, Morris Harvey.
F. B.—Brackman, Marshall.
Q. B.—Stansbury, Wesleyan.

In commenting on his selections Coach Felton said: "Neale at right end is not only the best end in West Virginia, but is undoubtedly one of the best in the whole country; a good kicker and his handling of the forward pass is of the sensational order. Kellison, at right tackle, is not only a heavy man, but is exceptionally fast, carries the ball well on offense, and is the best placement kicker in the State. Farmer, at right guard, is the most aggressive guard, especially on defense, that has appeared on a West Virginia gridiron this year. Lambert, at center, is the most aggressive man on offense or defense playing this position, and has shown the best headwork of any center playing in the State. Boyles, at left guard, is a strong man physically, and has the experience; is also a fierce tackler. Archer, at left tackle, is particularly strong on defense, and carries the ball well on offense. Morrison, at left end, is only second to Neale in receiving forward passes, and his own passing of the ball is without doubt a sufficient reason why he should have a place on any team in the country. Shumaker, at right half, has been the most spectacular in open field running and the most consistent ground gainer of any back in this State throughout the year. Friel, at left half, has exceptional speed, and is also a good runner and strong on following the ball. Brackman, at fullback, is strong on hitting the line, and exceptionally strong on defense, and, like Farmer, might show better to advantage on a better team. Stansbury, at quarter back, is a good general, and inspires his teammates with confidence at all times, and is strong in running back punts and on end runs. In selecting this team I have tried to get men who are consistent, and who have shown the most endurance throughout the year and have been of most value to their teams.

BOWLERS TO HOLD CITY TOURNAMENT

WILL STAGE THE EVENT THE FIRST OF THE YEAR.

According to American Bowling Congress Laws, the Tournament Will Have to Be Pulled Off.

A meeting of the City Bowling association will probably be held this month to make preparations for the annual city tournament, prior to the meeting of the American Bowling Congress in Toledo in February. This tournament is a requirement under the bowling laws and elected preparations will have to be made soon.

Manager William J. Estes, of the Moose bowling alleys, has given out the statement that arrangements will have to be made soon for the booking of the tournament. The city association has not met for a year and many of the bowlers are anxious to hold a meeting to ascertain what shape the affairs are in at the present time. Several of the bowlers contemplate attending the tournaments at Pittsburgh and Canton and would like to know what dates will be fixed for the city tournament, so as not to interfere with their plans.

KILBAINE

PROTESTS HIS INNOCENCE IN FIGHT AT JOHNSTOWN.

Promoters at Johnstown Billed the Card Wrong and the Blame Fell on The Champion.

CLEVELAND, O., Dec. 3.—Featherweight Champion Johnny Kilbane and Jimmy Dunn, his manager, accused of conspiracy and fraud at a boxing bout at Johnstown, Pa., on October 29, today protested their innocence.

"We went to Johnstown to give an exhibition bout," said Dunn. "When we got there we found Tommy McGinty of Cleveland had been billed as 'Tommy Duggan of San Francisco.' We insisted that his real identity be made known but when McGinty entered the ring he was introduced as Duggan. Rather than disappoint the crowd I told Kilbane to sail in and finish him quickly. McGinty was knocked out in the fourth round."

ST. PAUL STAR IS PICKED AS WINNER

CHAMPIONSHIP MIDDLE-WEIGHT BATTLE TONIGHT IN NEW YORK.

Speed and Skill Counted Upon to Carry Gibbons to Victory Over His Opponent.

NEW YORK, Dec. 3.—Mike Gibbons, the St. Paul middle-weight, who hopes to be champion of the world some day, is in favor among ring followers for the big bout he fights Billy Murphy in Madison Square Garden Wednesday night. Those who are betting privately on Gibbons base their judgment on the fact that the St. Paul wizard's cleverness has received unstinted praise from Jim Corbett, Kid McCoy, Billy Fitzsimmons, Tom Sharkey, Tommy Ryan and others who are qualified to express an opinion. Fitzsimmons, for instance, says that Gibbons, not only possesses wonderful foot work, but he has a movement of the head in slipping or dodging blows that is bewildering. Ruby Robert also declares that Gibbons, when it comes down to gauging distance, is in a class by himself and is without exception the cleanest hitter in the ring.

GOODWIN

IS A CANDIDATE FOR CAPTAIN ON WASH-JEFF ELEVEN.

Four Other Candidates in Line For the Position—About Thirty-Five Votes Will be Cast.

WASHINGTON, Pa., Dec. 3.—Manager Robert M. Murphy, of the Washington-Jefferson football team announced today that he would conduct an election of captain of the 1913 team the latter part of the week, a definite date to be announced later. There are four candidates for the place and a contest is expected before a leader is selected. The four aspirants are Goodwin, quarterback, of Wheeling; Younkins, guard, of Butler; Jack Schwab, tackle of Loretta and Young, fullback, of Chicago. Schwab and Younkins are both juniors and have but one year more of football. Goodwin and Young are Sophomores and will be eligible for two years yet.

Schwab and Goodwin have played two years on W. & J. and Younkins and Young one each. While the result of the election is not being forecasted with any degree of certainty, the chances favor Goodwin, who played brilliantly at quarterback all year. The fact that Younkins and Young have played one year on the W. & J. is expected to operate against them. Every man who played in a varsity game will be eligible to cast a vote, close to 35 men being in this class. All four candidates for the captaincy are popular. Head Coach Joseph Bolliell, who turned out the first championship team the Red and Black has had in four years left Washington today for his home at Mullica Hill, N. J., where he will spend the winter on his farm. Whether he will return to W. & J. next year or not is problematical, no selection being scheduled for some time yet. Bolliell before his departure expressed entire satisfaction with the result of the 1912 season at W. & J.

KILBANE BEATS MONTE ATTELL

CLEVELAND, Dec. 3.—Spurred to the demands of his friends that he demonstrate his utmost ability, Johnny Kilbane, featherweight champion, tonight decisively defeated Monte Attell, of San Francisco, brother of the former lightweight champion, in their twelve round bout here. Attell was resenting such tactics that in the eighth round police commanded that the bout be stopped and the referee gave Kilbane the decision after one minute of fighting in the eighth round.

Attell never had a chance to display his ability. Kilbane started off with a rush and knocked Attell down in the first round. Attell was groggy after that and stayed on only through his nerve. Half a dozen times after that Kilbane knocked Attell down, the champion's rapid succession of blows to face bewildering Attell. Attell's blows lacked power and he could not stay the champion's course. Attell's face was bloody and he seemed badly stung when led from the ring after the fight was stopped.

SLAYS CHILD WIFE; MAKES CONFESSION

In Presence of Officials Husband Confesses to Strangling His Young Wife to Death.

AKRON, O., Dec. 3.—Before Prosecuting Attorney Frank J. Rockwell, Sheriff Ferguson and Police Chief H. E. Ely of Barberton, Harvey Shanower tonight broke down and confessed that he had strangled to death his pretty twenty three year old wife, Edna Hartgrove Shanower, last night. Frequent quarrels with his wife he said had destroyed his happiness and he killed her, intending also to take his own life.

When her body was found last night in their home at Barberton by her father and police, search for Shanower was started. He was found this morning at the home of his mother, Mrs. Melissa Shanower, in Massillon, and declared his innocence. He said that he had left his wife lying on the bed at their home and had gone to the depot. His train was late and he went back to talk to his wife, he said, later taking the train for his mother's home.

"Our Supreme Court has also held that 'the incumbent of an office has not, under our system of government, any property in it. His right to exercise it is not based upon any contract or grant. It is conferred on him as a public trust, to be exercised for the benefit of the public. Such salary as may be attached to it is not given because of any duty on the part of the public to do so, but to enable the incumbent the better to perform the duties of his office by the more exclusive devotion of time thereto.'

"And again, 'A public office, or the prospective fees of an office, are not the property of the incumbent, within the constitutional provision against depriving a man of property.'"

SLOSSON LOST

PHILADELPHIA, Dec. 3.—George Slosson, who last night defeated Yamada, the Japanese expert, was tonight defeated by Reginald Vingoe in a 500-point game of the 18.2 balk line billiard tournament here by the score of 500 to 222. Hoppe had an average of 33.13-2 for the game. His highest run was 85. Slosson made an average of 12.14 and had a high run of 70.

SLOW PROGRESS IN THE CASH REGISTER SUIT

CINCINNATI, O., Dec. 3.—Henry C. James, the government's first witness in the trial of President John H. Patterson and 29 other officials of former officials of the National Cash Register Company, charged with violation of the criminal section of the Sherman anti-trust act was on the stand undergoing cross-examination all of today, little information was forthcoming from him. The reason for this was that strenuous objections were made almost continuously by the prosecution to the defense's attempt to draw from James information concerning the knowledge of alleged infringements of patent rights by other companies other than the National.

FREE DELIVERY

Bill Introduced to Have Appropriation Made for Free Deliveries of Third and Fourth Class P. O.

WASHINGTON, Dec. 3.—A bill that would establish a free mail delivery service in cities having third and fourth class postoffices was introduced today by Representative Grout, of Pennsylvania. The bill would appropriate $10,000,000 to be used by the postmaster general in inaugurating the service in cities where there is now no free delivery. The bill limits the expenditure in each city to $1.00 a year.

"TIP" O'NEIL

Will Make Statement January 1, Regarding Request For Resignation as President.

CHICAGO, Dec. 3.—Announcement of what action he will take with reference to the recent request for his resignation as president of the Western league will be made by "Tip" O'Neil, on January 1.

The veteran baseball and executive made this statement today but he declined to divulge the nature of his decision.

At the meeting in Milwaukee, recently, the league voted five to three to ask for the resignation. This action grew out of a fight to have headquarters removed from Chicago to some city west of here, which plan was opposed by O'Neil.
