Smoot Plan Is Rejected

Legion Heads Hold Out for Adjusted Compensation Feature in Bonus

By DAVID LAWRENCE

to get that sum advanced toward a mortgage. The senate committee sug-gests that \$400 be the limit and that the payments be made in installments of \$200 a year, beginning lanuary 1921 The American Legion feels that the toso that it can be more useful as much bomes can be bought by the payment of \$300 down.

Sixth, the senate committee has pro-posed that as an incomine toward the taking of the certificate plan. In ter-cent to be added to the total amount on the face of the certificates, this being the equivalent of 4's per cont in-But the American Legion counters with the suggestion that it be made to per cent, arguing that this was the original percentage in the bill which was the stigned as possible candidates for the reported. reported favorably by the senat, nomination but they have finally said finance committee, and which passed they would not enter the race.

Prefer Bank Borrowing

this phase of the matter but it is apparent that government frameing would

sorrowing to be done through the banks, as proposer in the house men ure. While some members of the American Legion who come from industrial as munities are not particularly interested in land settlement, there are thousands of ex-service men from the west who The American Legion canter ways of compensation, and one of the compensation, so it is difficult for the American Legion leaders to agto eliminate reclamation, though it would not be surprising if the senate committee finally did so.

The Cash Peature.

The Legion has made it clear to the penate finance committee that it wants to see made as attractive as possible the productive features of the bill and for this reason recommends that home and land aid and the twenty-year cer-tificates be made worth 40 per cent more than the amounts due of certificates of credit are selected by service mon. Similarly, the vecational and plan Chapman, Republican, and Mayor C

mbraced in the house bill is prefer . by the Legion As to the financing of the cash fe ...

bres of the hel, the Legion maintains that it should not surgest to congret the way the revenue should be raised The senate committee has proposed that amounts obtained from foreign governments on the war debt shall be used to finance the bill. The Legen men understand that the British govbe used by the treasury for general p poses, and thus would include the gations of the bonus act.
