**Death of J. C. Bell.**

Died in this City, Wednesday, Feb. 27, at 4 p. m., James Conway Bell, aged 31 years.

The deceased was a son of Dr. S. H. Bell, who has been a well known resident of Brownsville for a number of years, having moved here from Beeville, Texas, though coming originally from Kentucky. It was in that state at Scottville, that "Con" Bell, as his friends best knew him, was born. He had been in bad health a good many years and it was largely for his benefit that the doctor moved his family to Brownsville. His death was the immediate result of a severe attack of grippe, which affected his lungs.

The death of this young man brings sorrow to a wide circle of friends. All who knew Con had an affectionate regard for him, his genial, sunny disposition making him universally popular.

Besides his father, he leaves two brothers, S. H. Bell, jr., and Henry Bell, and one sister, Miss Florence Bell. To the father who mourns his first born, as well as to the devoted sister and brothers, the deepest sympathy of many warm friends is extended.

The funeral took place this afternoon at four o'clock from the family residence on upper St. Charles street, the service being conducted by the Presbyterian church, with interment in the city cemetery.
