SICK CHILDREN LOVE CASCARETS FOR THE BOWELS

Give "Candy Cathartic" for a bad cold, sour stomach, constipation.

Get a 10-cent box now. Most of the ills of childhood are caused by a sour, disordered stomach, sluggish liver and constipated bowels. They catch cold easily, become cross, listless, irritable, feverish, restless, tongue coated, don't eat or sleep well and need a gentle cleaning of the bowels—but don't try to force a nauseating dose of oil into the little one's already sick stomach—it is cruel, needless and old-fashioned.
