

Tired of Giving? You Don't Know What it is to be Tired

*To You Who Bought a Bond Last Spring and are Satisfied
"You've Done Your Bit"—there is But one Reply,
"You Haven't Done Your Share."*

¶ Nor will you have done it if you bought one of the First—the Second—or the Third Loans—and refuse this Fourth Issue.

¶ Remember this: *We are in the War to Win, no matter what it costs or how long it lasts.*

¶ The cost will be appalling. That is apparent more and more each day, yet it **MUST** continue until the end, as America wills it, is achieved.

¶ Each must do his **SHARE**—not his bit. St. Joseph County is called upon to double the amounts subscribed heretofore.

¶ To reach our quota—nearly Six Millions—you must buy the way they fight—never stopping to count the cost. You must buy to your **LIMIT**.

¶ So, for victory, prepare to buy **YOUR** share of Fourth Liberty Bonds. Don't think you've done your all. Contrast your position with that of the Belgians—the French—and the other allies—who have given, loaned, **SACRIFICED** Everything.

¶ And—**BE A VOLUNTEER**—You know you'll buy these Bonds. Why—why should your neighbors, or friends, have to solicit you—sell you? Volunteer and buy your **LIMIT**.
