Many know, while some do not,—all should—that Cunningham's flavoring extracts are unequalled for purity and strength. Ask for Cunningham's. Accept no substitute.
The man who is in the habit of borrowing a paper to read and never taktng one, is said to have invented a stove for cooking his meals from the smoke of his neighbor's chimney.
O'Keefe and Dr. Reynolds have erected a commodious office building on the lot next to Mr. Park's office. It is a three room structure and will be occupied by Dr. Reynolds.
Dr. Knott, while in Chicago a short time ago, bought a fine team of horses. They are the finest in this section of the country, and the Doctor may well feel proud of his purchase.
Examination for graduation from country schools will be held on the 3d Saturday of March and April. Those wishing to take examination can govern themselves accordingly.
The ladies are especially invited to call at the People's drug store and secure some of their tissue paper and a lamp shade. These are essential features for spring decorative work.
In speaking of Auditor Hahn last week we incidentally said "EX." Of course we were a little previous, and apologize for placing him in that position before his term legally expired.
The National Stockman and Farmer gives a full market report each week, from Chicago, Pittsburgh, and Buffalo. It will be sent one year with the Marshall County INDEPENDENT for \$2.
A young man down east hung himself, because people found fault with him. If this practice should become general, the trees would be full of preachers, school teachers and editors.
Frank Carr, of Inwood, has sold his store at that place to Nolan Bros. This new firm has purchased the stock of dry goods at Knox, belonging to Cooley & McDonald, and moved them to Inwood.
P. J. Pitzlin, of St. Louis, Mo., was in our city yesterday, looking into the prospects of establishing an athletic class. He was unable to find a room suitable for his purpose, so he abandoned further progress.
The Rochester Sentinel is the authority in telling Knights of Pythias not to contribute towards the erection of a sanitarium, as it was not authorized by the supreme lodge. Of course not. It would be against the law of the order for even a subordinate lodge to under-

take anything along that line through its members. But the members can individually undertake anything along that line.
Dr. Daugherty, of South Bend, was called in consultation in the case of Mrs. Peters, who lives about five miles west of this city. Dr. Borton is the attending physician. Recovery is almost impossible.
At this season of the year house keepers may well remember that burning soot in stovepipe or chimney may be instantly extinguished by dashing a handful of salt on the fire in the grate of the stove.
Frank Sauer, of Delaware, Ohio, and Lewis Swearingen, of this city, have purchased Lewis Alderfer's cigar factory and expect to get started this week. They are both experienced men in the cigar business.
M. Lauer & Son purchased the fine residence of N. H. Oglesbee and expect to take possession in June. Mr. Oglesbee intends to move to his farm, which is four miles south of Plymouth, about the middle of May.
Mentone, Ind., is getting a hustle on herself. They have formed an improvement company, and last Saturday night had a public meeting to talk over plans to advance the interest of the town. There is nothing like it.
The Plymouth Breeders' Association met at the court house last Saturday afternoon. The business transacted was of great importance to this association. They will meet again tomorrow at the office of John Houghton.
A beautiful lithograph of sweet peas, painted from nature, has reached our table, presented by the well known seed firm of Atlee & Burpee. It is a beauty and they are liberal enough to favor their customers with a copy of it.
The Edgerton Manufacturing Company, started up a few days ago with a force of about fifteen or twenty hands, but have been forced to close for a few days on account of the inclement weather and change in machinery.
The girls will have a chance next year. It will be the last leap year for eight years. The leap years which fall in the last year of a century are not counted, so there will be only twenty-eight days in the February of 1900.
An excellent way to cure insomnia is to bandage the eyes before retiring. The compress seems to drive away the blood from the eyes and so cure, or at least temporarily relieve, that feeling so often experienced by sufferers from sleeplessness or trying to see in the dark.
W. J. Huff, who a short time ago took charge of the Monticello Press has fulfilled his promise, and the Press came to its readers last week enlarged to a six column quarto. We are glad that Bro. Huff is pushing his journal to the front. His subscribers will surely appreciate his efforts.
The remains of Mrs. Geo. Babcock, who died in Bourbon, Saturday last, were taken to Valparaiso last Tuesday and interred. The deceased was a member of the Eastern Star, and the funeral at that city was in charge of that society. Mrs. Babcock formerly was a resident of Valparaiso.
Any of our farmer friends who desire to secure an excellent farm journal, should not fail to secure the National Stockman and Farmer, a twenty-four page paper. This edition we are giving in connection with the INDEPENDENT for one year, for only \$2. Take advantage of this wonderful offer.
The circuit court opened in due form Monday, at 2 p. m. Nothing of importance was done, with the exception of Wednesday's proceedings—Albert L. Ayers was tried for allowing minors to play billiards in the Gem Cigar Store. He was acquitted. Court adjourned Wednesday afternoon till next Monday.
The following marriage licenses have been granted since our last issue: Ottie Miles and Rosa Wylie; Noah F. Hartsough and Ada M. Barber; James M. Poulson and Mary J. Miller; George W. Johnson and Viola Bass; John W. Birt-whistle and Nancy J. Phillips; Nelson Hanes to Orutha E. Highshew; Elmer Reed and Eunice J. Snyder.
We are in receipt of a book entitled "A Year's Work at Fordhook Farm," published by W. Atlee Burpee & Co., of Philadelphia. It is handsomely illustrated book, giving an exhaustive account of their mode of work and the great efforts put forth to make Fordhook Farm one of the most successful seed farms in the United States.
Editors are very frequently censured for what they publish, but get no credit for what they do not say. Many things occur every week which, if published, would wound the feelings of innocent parties, injure the reputation of the town and do no good to anybody. Give us credit for not telling all we know, while you censure for telling too much.
Arrangements have been completed for the appearance of Barnum & Bailey's great show here, on June 24. The permission has been given by the proper authorities for the parade through our streets, and owing to the enormous amount of ground they will need, permission has been granted for the use of the fair grounds. Plymouth is becoming quite metropolitan.

(Additional Local on Editorial page)
