Does the world miss anyone? This
is a question that is often asked
and the answer is easy—not long.
The most useful personage in the
whole world dies and is soon forgot-
ten. Those who are filling impor-
tant positions today will pass away
from the remembrance of a man in
a short time and the grave will close
upon their remains. Shedding tears
over a new made grave, saying that
our loss is irreparable, is but tem-
porary grief for nature has so made
us that soon the tendrils of love
have entwined around other sup-
ports and we are forgotten, we are
no longer missed and the world goes
on and on.—Ex.

WOMEN'S WOES.

Leon Women are Finding Relief at
Last.

It does seem that women have
more than a fair share of the aches
and pains that afflict humanity; they
must "keep out," must attend the
duties in spite of constantly aching
backs, or headaches, dizzy spells,
bearing-down pains; they must stoop
over when to stoop means torture.
They must walk and bend and work
with racking pains and many aches
from kidney ills. Kidneys cause
more suffering than any other organ
of the body. Keep the kidneys well
and health is easily maintained.
Read of a remedy for kidneys that
helps and cures the kidneys and is
endorsed by people you know.

Mrs. Mary A. Hinds, of Leon, Iowa
says: "I think just as highly of
Doan's Kidney Pills now as I did five
years ago, when I gave a public state-
ment in their favor. At that time I
was troubled considerably by a ret-
ention of the kidney if I ever ex-
erted myself, I became worse. Hear-
ing of Doan's Kidney Pills I pro-
cured a box from L. P. VanVerden's
drug store and was surprised by the
prompt way in which they brought
me relief. I have used this remedy
quite often during the past five years
and it has never failed to help me."

For sale by all dealers. Price
50 cents. Foster-Milburn Co., Buf-
falo, New York, sole agents for the
United States.

Remember the name—Doan's—
and take no other.

Occasionally a woman is so fond
of a novel sensation that she will
stop talking and listen.

The average woman would rather
hand over a \$2 bill to a dry goods
clerk than a 50-cent piece to the
grocer.

The Difference Between Sealshipt Oysters and Others.

There is as much difference in oysters as there is between
meat, fish or vegetables.

One difference between Sealshipt Oysters and others, is the
guaranteed purity of Sealshipt. We are able to offer this
guarantee because we know how Sealshipt Oysters are handled.

Another difference is that in Sealshipt Oysters you get the
actual tempting, indescribable sea flavor.

Another difference is that Sealshipt Oysters are sold from a
clean refrigerator or Sealshiptcase. This is the first and only
germ proof porcelain oyster display on the market.

There are a whole bundle of differences—in a word they can
be summed up in this: Sealshipt Oysters are incomparably pure,
nutritious and delicious oysters—positively the best oysters
taken from the best oyster beds.

A pint of Sealshipt oysters are enough for a whole family.
