The Chore—Our latest advices from the country in this neighborhood are, that the crops of wheat and barley have been materially injured in some quarters. REGULATORS BEING REGULATED—Last Monday week seven men were arrested in Massion to township, Cedar county, on the charge of being concerned in the hanging of Gleason and Soper. They were taken before Judge Tuthill at Tipton, and admitted to bail in the sum of \$1,000. They were principally old settlers and heretofore known as law-abiding citizens. A large number of persons were in town to witness the examination, and there is no doubt they intended to rescue the prisoners if they were sent to jail.
