The Murderer of Ada Atkinson Believed to be Caught.

The Man Nelling Makes a Confession Which Leads to the Arrest of Oue Ladd-Public Sentiment on the Affair-Fears of Lynching.

LAFAYETTE, Ind., Oct. 15 .- Last midnight detective Harris arrested Jacob Ladd for the murder of Ada Atkinson. on the strength of a confession of Jacob Nelling, farm hand of Atkinson, that on the afternoon of the day when the tragedy occurred Ladd proposed to him that they rape the young girl. 'Nelling emphatically declined. His first knowledge of the crime was the discovery of Ada's body by her sister Lucy. Many believe Nelling's confession to be a lie and that to escape pagishment he implicates that to escape punishment he implicates Ladd. The latter is, however, known to have been near the place where the mur-der was committed at the time it was perpetrated. He acknowledges having heard the screams of the unfortunate girl and noted by his watch the exact time. Ladd will be remembered as the hostler of Mrs. Johnson, whose name has been linked with that of Mr. Atkinson in unsavory connection. Excitement runs high at Oxford, and Ladd is in peril of lynching. Three physicians on Sunday expenses of the dead still but humed the remains of the dead girl, but, decomposition having set in, no examination could be made. A court of inquiry will hear Nellings' evidence under oath at Fowler this morning.

NEW YORK, Oct. 15.- The new steamer Oregon of the Williams & Guion line arrived at the Sandy Hook bar at 12:30 p. m., having made the run from Queenstown in 7 days 8 hours and 33 minutes. She was expected to make the trip in six days and nights and would have done so if the weather had been at all favorable. She encountered adverse winds during most of the voyage, and had two successive days of heavy fog. One hour was lost on Friday by hot journess. Saturday was a fair day, absect the first in which an opportunity was offered to fairly test the speed of the new vessel. That day she made \$56 miles, heating the best record for twenty-four bours, which was 428 miles, made by the Alaska. Mr. Pearce, of the firm of John Eider & Co., the builders of the vessel and Mr. Guion, the senior partner of the firm of Williams & Guion, were on board. Among the passengers were on board. Among the passengers were Mrs. Langery, and her mother, Mrs.

SCROFULA

Eczema, Blotches, Ringworm, Tumors, Car-buncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be puri-fied, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical au-thorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores. "Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swellen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feely very grateful for the good your medicine has done me. Yours respectfully, Mrs. Ann O'BRIAK."

148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, B. W. Ball, of Rochester, N.H., writes, June 7, 1882: "Having suffered soverely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of Aver's Sarsaparilla, which has effected a complete cure. I consider it a magnifi-cent remedy for all blood diseases."

Ayer's Sarsaparilla

stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease. PREPARED BY
