PITHY POINTS.

In the eyes of some people a tree full of chickens beats all the Christmas trees going.

Admiral Schley accomplished all he started out to do and all the Government expected at his hands.

"Admiral" Sampson and Capt. Carter are a unit on one thing; they both regard money above glory.

Although Sampson didn't cut much figure at Santiago he cut a generous slice out of the prize money.

The trial of another Goebel conspirator will come up in a few days. How'ard is the way of the transgressor?

Schley's all right with the people, but it must be seen to that nothing shall go on record against his name, fame or reputation.

The Secretary of the Navy may probably be long in his own estimation, but he's exceedingly short in the estimation of the great majority of the American people.

The gold brick gang are an honorable set in comparison with the gang that have hounded, vilified, abused and traduced that brave and gallant patriot, Admiral W. S. Schley.

It's now evident that Schley was tricked into demanding a court of inquiry by that gang of navy sharks and confidence men, and was then given the worst dose that could be concocted.

Friendship Rebekah Degree Lodge No. 43, I. O. O. F., has elected the following officers for the ensuing term:

N. G.—Miss Theodora Rudy.
V. G.—Miss Katie Daulton.
Secretary—Mrs. Emma Luman.
Treasurer—W. C. Polham.

K. of St. John Cadets.
Special meeting to-night at 7:30. All are requested to be present.

L. CLARKE, Pres.

Freights Wrecked.

Opelika, Ala., Dec. 30.—Two freight wrecks occurred on the Eastern Railway of Alabama within 30 miles of each other, on account of the heavy rains, which flooded the track, causing two embankments to give way. One man was killed, three injured and the property loss is heavy. The dead: Thomas Russell, engineer. Injured: Cy Lee, negro fireman; B. W. Jackson, engineer; negro fireman, name unknown.

Want Boxing.

Cleveland, Dec. 30.—It is probable that Cleveland sporting men will ask the state legislature to permit boxing contests in this city for money prizes. They state that without a purse good men can not be secured, and the present law makes a contest wherein money is at stake illegal. Matt J. Hinkle of Cleveland is said to be prime mover in the matter.

Manilla Fire Department.

New York, Dec. 30.—From a reliable source comes the information that ex-Fire Chief Hugh J. Bonner is considering a proposition made by President Roosevelt and the war department to reorganize, on New York lines, the fire department in Manilla, Philippine Islands. Such was Mr. Bonner's business in Washington during the week just ended.

Dayton, O., Dec. 30.—Miss Emma Wright, 14, was criminally assaulted in Schantz's lane by a negro, who first choked here. Before he left the prostrate girl he robbed her. Miss Wright will recover. The negro escaped.
