CALIFORNIA DISCOVERS PLOT TO POISON WHEAT CROPS IN THE U. S.

LLOYD GEORGE IS GIVING HINT OF A LARGE NEW ARMY

LONDON, Jan. 19.—Prime Minister Lloyd George in an address to the Labor Delegates of Great Britain said no man standing on the watch tower could deny the urgency of the need of raising more men for the army to be placed after proper training into the great war.

"No democracy ever survived the failure of its adherents to be ready to die for it," said the Prime Minister.

"President Wilson and myself, without previous consultation have arrived at the conclusions for a world peace and our programs are substantially the same as regards the demands for the termination of the war.

"None of the Allies are ready to make any peace without the complete restoration and reparation of Belgium.

"There is only one answer that the Imperial German government can give to the peace proposals as submitted by myself and the great President of the United States but this answer will not come. There will however be an answer and it will come from von Tirpitz's soul and that will be 'Never'."

HUN SOCIALISTS FORBIDDEN FROM NEW PROPAGANDA

WASHINGTON, Jan. 19.—An order forbidding any Socialist propaganda in the German army was today issued by the Imperial German Military authorities. This is according to advices received by the Swiss Embassy in this city. The dispatch confirms the report given out several days ago that the militarists were for the time being in power in Germany.
