**A LASTING EFFECT**

**This Evidence Should Prove Every Claim for Doan's Kidney Pills in Alaska.**

Belief from the pains and aches of a bad back is always welcome to every backache sufferer; but to cure a lame, weak or aching back is what's wanted. Care it so it will stay cured. It can be done. Here's the strongest evidence to prove it.

W. W. Lee, painter of Willis street, near Packer street, Redding, Cal., says: "Like the majority of men who follow my calling, the action of the ingredients used in the business was not the primary cause of kidney complaint, they certainly aggravated it when the attacks occurred. I do not want my friends and acquaintances in Redding to think that Doan's Kidney Pills have radically cured an old chronic case of kidney complaint like mine, but this I can conscientiously say, the treatment undoubtedly did me a vast amount of good. Anything that helps a man whose back has ached so badly that he could not sleep at night, who many and many a time when at work could hardly push a brush to and from him without suffering almost unendurable twinges, is deemed to obtain a remedy which brings relief. To say that Doan's Kidney Pills relieved me, very mildly expresses the amount of benefit I received from the treatment."

For sale by all dealers. Price, 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name, Doan's, and take no substitute.
