The burden of labor is constantly being lightened by new inventions, but nothing new has yet been discovered to lighten the hours of labor and make life worth living like Simmons Liver Regulator does. It's the King of Liver Medicines. A sluggish liver depresses one's spirits and causes languor, besides upsetting the whole system. But Simmons Liver Regulator tones up and strengthens the body.  
The "Courier" says: S. M. Folsom and William Claffin have filed with the United States land office at Prescott application for three reservoir sites in Navajo and Apache counties, south of Flagstaff and Winslow. The applications also call for right of way for canals tributary to such reservoirs. It is proposed to store flood waters in these reservoirs for the reclamation of large tracts of fertile land tributary thereto. David Babbitt, of the firm of Babbitt Bros. and acting mayor of Flagstaff, is making a visit to all the larger towns along the line of the Santa Fe road for the purpose of gathering reliable data in regard to the water systems of these towns and cities. The idea is a good one, and the SUN believes that Mr. Babbitt will return fully convinced that the offer made by the water company to the town of Flagstaff was a liberal one, and that but few towns in the United States have better water works propositions than that made to Flagstaff.

Reader, did you ever take SIMMONS LIVER REGULATOR, the "KING OF LIVER MEDICINES?" Everybody needs take a liver remedy. It is a sluggish or diseased liver that impairs digestion and causes constipation, when the waste that should be carried off remains in the body and poisons the whole system. That dull, heavy feeling is due to a torpid liver. Biliousness, Headache, Malaria and Indigestion are all liver diseases. Keep the liver active by an occasional dose of Simmons Liver Regulator and you'll get rid of these troubles, and give tone to the whole system. For a laxative Simmons Liver Regulator is BETTER THAN PILLS. It does not gripe, nor weaken, but greatly refreshes and strengthens.
