PRESIDENT TO SHOW STRENGTH OVER CONGRESS

His Control Over Legisla-
tion Will Be Put to a
Severe Test.

MUST WHIP THE SENATE INTO LINE

Currency Measure Develops
Much Independence of
Expression Among Demo-
crats of the Senate—Pres-
ident Wilson is Very An-
xious to Put it Through
Before December.

BY ASSOCIATED PRESS.
Washington, Sept. 21.—The strong-
est test of the president's control over
the legislative performances of con-
gress is about to occur. Within the
last week he has seen the triumph of
currency reform in the house, and also
the virtual completion of tariff revision.
Now he faces the task of getting
the currency bill through the senate.
The president is determined to use
every legitimate means at his com-
mand to complete the currency legisla-
tion within the next few weeks. He
wants to give the country a new bank-
ing system and revised form of paper
currency before December.

Thus far there is marked indepen-
dence of expression among the Demo-
cratic senators as to important points
of currency legislation. The public
hearings will continue through the
week. The actual committee work on
the bill late this week will develop
what differences exist. Apparently
there is no real spirit of antagonism
to currency legislation among the
leaders and either party, but there is
a wide difference though in the ideas
as to the best methods of revision.

A striking feature of the situation
in the senate is that the voice of one
Democratic member of the banking
and currency committee will be suf-
ficient to prevent the committee from
reporting the bill favorably. The Re-
publicans, almost without exception,
claim that more time than is available
at the present session is needed to ef-
fect the revision. The Democratic
leader says that all the information
needed is at hand now.

ALLEGED PLANNER OF TRAIN ROBBERY ARRESTED

Jackson, Tenn., Sept. 21.—Sheriff
Person returned this afternoon from
Memphis with J. T. Miller, the al-
leged train robber. He was carried
directly to the courthouse from the
train, and as he entered the court-
room he was greeted by a number of
former friends who knew him here
about one year ago. Shortly after-
ward George Sherwood was brought
in, his hands adorned with handcuffs.
Miller greeted Sherwood with a faint
smile and took his seat by his alleged
accomplice in the plot for the robbery
of the M. & O. passenger train.

Miller asked the court for a little
time in which to engage counsel, but
Sherwood admitted his poverty, and
allowed the court to appoint his at-
torney. Their case will be taken up
Monday, when it is believed that the
men will submit to their attempted fel-
onious crime and allow the court to
give them their just dues.

GERMAN AVIATOR HELD BY RUSSIANS

Muelhausen, Germany, Sept. 21.—
Victor Stoeffler, German aviator, who
left Warsaw, Russia, early this morn-
ing in an attempt to reach Paris in
a single day, was forced by a storm
to descend near the Russian frontier.
He landed near an encampment of
Russian troops and was arrested.

Failed to Appear for Marriage; Warrant is Now Out for Man

SPECIAL TO THE JOURNAL.
New Orleans, Sept. 21.—Serious
charges have been preferred against
J. P. Marque of 1116 Foucher street in
the First Justice of the Peace Court
at Gretna, upon which it is expected
he will surrender and then go to trial.
The affidavit was sworn to several
days ago by Joseph Foreman, step-
father of Miss Julia Cochran, a Gretna
girl, but efforts to locate Marque have
up to this time been futile.

Marque is accused of a statutory of-
fense, the date of which is alleged to
have been Feb. 17, 1909, but the facts
have just come to light and had never
been brought to the attention of the
authorities before this. The affidavit
was dictated by Attorney H. N.
Gautier, counsel for the complainant,
who will assist District Attorney
Marrero in the prosecution of the
case.

HUERTA HAS NO CHOICE AMONG THE CANDIDATES

Provisional President Says
the Government Will
Aid No One.

TELLS ATTITUDE OF ADMINISTRATION

Says It Is One of Absolute
Impartiality and Declares
That Order Will Be Main-
tained During Elections.
If It Is Necessary to Call
Out the Army—One Party
Calls Meeting.

BY ASSOCIATED PRESS.
Mexico City, Sept. 21.—Provisional
President Huerta today declared that
the government would aid no candi-
date for president in the coming elec-
tions. It has been declared openly
that the president would throw his in-
fluence to this or that man. Huerta
explained the attitude of the adminis-
tration as one of "absolute impartial-
ity." He said order would be main-
tained and that he would call out the
army if necessary.

The Catholic party held a conven-
tion today behind closed doors. There
was no announcement as to the choice
of a candidate.

CONSTITUTIONALISTS AMEND A RECENT TAX ORDER

Eagle Pass, Tex., Sept. 21.—The
Constitutionalist leaders announced
today that passes will be issued to
cross the international bridge into Pi-
dras Nuevas, Mexico, from Eagle Pass
when the traveler is recognized by the
United States military authorities.

It had been announced yesterday
that all persons who crossed it would
be taxed \$1. United States Consul
Blocker protested the order, and the
Constitutionalist today declared that
fear that federalists would invade their
headquarters from the United States
side of the bridge had caused them to
issue the tax order.

WOSK ON THE CANAL CAUSES BREAKDOWN

Lieut. Col. David Dubois Galliard, of
the corps of engineers, U. S. A., is a
patient at the Johns Hopkins Univer-
sity hospital at Baltimore. He is suf-
fering with a nervous disorder, caused
by hard work and the trying climate
of the Panama canal zone, and it is
believed that only a long rest and ex-
pert treatment can restore him to
mental and physical health. From 1906
until quite recently he was in charge
of the central division of the canal,
where the most difficult engineering
feats connected with the building of
the great waterway were performed.

CONFESSES TO THE MURDER OF GIRL IN 1909

Man Arrested in Philadel-
phia for Larceny Says He
Committed Crime.

BODY WAS FOUND IN A CEMETERY

Mystery Surrounding Death
Anna Catharine Schu-
macher in Rochester, N. Y.
Five Years Ago Solved
With the Arrest and Con-
fession of Jacob Wolfsohn.

BY ASSOCIATED PRESS.
Philadelphia, Sept. 21.—The identity
of the murderer of Anna Catharine
Schumacher in Holy Sepulchre ceme-
tery in Rochester, N. Y., in August of
1908, was established here tonight, it is
believed, when Jacob Wolfsohn is al-
leged to have confessed to the deed.

Wolfsohn was arrested here for lar-
ceny. According to the detectives the
prisoner wrote a note to the district
attorney containing the simple state-
ment that he killed a girl in the
cemetery at Rochester and that her
name was Schumacher. Later he
made a full confession. The Rochester
authorities are on their way here.

Wolfsohn tonight attempted to com-
mit suicide in his cell. He was dis-
covered tearing his clothing into
strips. When the cell was searched
an improvised rope was found. He
was put under a close watch.

DEAD MAYOR'S BODY IS VIEWED BY THOUSANDS

Lying in State in City Hall
More Than 75,000 Pay
Tribute—Doors to Remain
Open Until 4 a. m.

BY ASSOCIATED PRESS.
New York, Sept. 21.—In a double line
that never seemed to diminish, thou-
sands today and tonight filed through
the city hall and past the body of
William J. Gaynor, lying in state. It
was New York's spontaneous tribute
to the dead mayor. In a long line
were the street cleaners, firemen,
policemen and men high in official
life of the city and state.

At 9 o'clock tonight it was estimated
that more than 75,000 had marched
past the body, and they still came in
a continuous stream. Orders were is-
sued to have the doors remain open
until 4 o'clock tomorrow morning if
necessary, that all who came might
pay tribute.

The public funeral services will be
in Trinity church tomorrow morning
at eleven o'clock, and services for an
overflow crowd at St. Paul's chapel. A
regiment of police will lead the
funeral procession.

MANY VACANCIES AT WEST POINT

Large Number of Appointees Fail to
Pass Examinations and No New
Names Being Sent In.

BY ASSOCIATED PRESS.
Washington, Sept. 21.—Many vacan-
cies exist at the West Point military
academy as a result of the failure of
the appointees to pass the entrance
examinations. Senators and repre-
sentatives are also failing to send in nom-
inations in answer to the appeals of
the war department.

It is likely the consent of congress
will be asked to have the president fill
the vacancies.

COURTMARTIAL OFFICERS.

Washington, Sept. 21.—Upon recom-
mendation of a board of inquiry, con-
victed by Rear Admiral Fletcher,
commanding the Second division of the
Atlantic fleet in Mexican waters, Sec-
retary Daniels today ordered the
court-martial of Capt. Harry A. Field
and Lieut. Benjamin Bartholow, com-
mander and navigator, respectively, of
the battleship Louisiana, which was
grounded in Vera Cruz harbor August
6. A letter of reprimand has been sent
to Ensign Robert K. Awtry, officer of
the deck. The battleship received only
minor damages in the grounding and
still is at Vera Cruz.

SNUBS HER HUBBY; CAN'T RETURN TO HIM WITHOUT COMMITTING SPIRITUAL BIGAMY

Saharet.

Chicago, Sept. 21.—Will Mrs. Fritz
Von Frantzius, better known to the
theatrical world as Saharet, leave the
stage and settle down to make a home
for her husband, who is a Chicago
broker? Or will she continue to com-
mit "spiritual bigamy" by remaining
wed to both her husband and her art?
It will be recalled that Frantzius
followed the dancer to Europe, after
falling in love with her photograph,
and that they were married when she
returned to New York last June. She
did not seem to take the marriage
very seriously at the time, but prom-
ised to give up the stage as soon as
she filled theatrical contracts signed
by her previous husband.

Now she is definitely making her
choice. Frantzius and the reporters have dis-
covered that she is not stopping at
the Frantzius home, but is staying at
a hotel.

"Do you intend to fulfill the terms
of your marriage contract by leaving
the stage?" Saharet was asked while
at her dressing room in the theater.

"Who can say?" she parried. "Just
now I feel that I love my art more
than my husband. Marriage and art
do not go well together, nest pas?"

"But you cannot be wedded to both
your husband and your art, can you?
Isn't that spiritual bigamy?"

"I do not quite get you. I am no
spiritualist. In fact, I hate all that
superstitious stuff. But if you mean
that I can't be married to both my
husband and my art at the same time
—well, I guess you're right. Just now
I have the intention of leaving the
stage when my contracts expire, but
women are changeable, and I am not
yet sure what will transpire."

"Do you believe that you will leave
the stage when her contracts expire?"
Frantzius was asked.

"I am not at all sure as yet," came
the answer. "I believe that she intends
to now, but you know that women are
sometimes foolish and she may change
her mind."

BY ASSOCIATED PRESS.
Concord, Sept. 21.—Eleven lawyers
from four states and from the Domi-
nion of Canada are here today to help
Thaw resist the efforts to drag him
back to New York. More are supposed
to be on their way.

Without a dissenting voice the at-
torneys tonight declared they agreed
as to the presentation of the case be-
fore Gov. Felker Tuesday.

Members of Thaw's family are ex-
pected tomorrow.

COLD WEATHER IN SOUTHERN STATES

Will Be Frost as Far South as Upper
Portions of East Gulf States—Warm-
er By Wednesday or Thursday.

BY ASSOCIATED PRESS.
Washington, Sept. 21.—Fair weather
generally is promised by the weather
bureau for the ensuing week. Cold
weather will prevail east of the Mis-
sissippi river the early part of the
week and there will be frost as far
south as the upper portions of the
east gulf states and probably also in
the Carolinas.

It will be warmer by Wednesday or
Thursday east of the Mississippi.
Showers are possible Monday or Tues-
day in eastern and southern Florida.

URNS SOMERSAULT IN AIR.

Douai, France, Sept. 21.—The feat of
turning a somersault in the air with
an aeroplane in imitation of the recent
performance of Aviator Pegoud was
accomplished here today by Pierre
Chanteloup, a French airman, flying
in a biplane.

BREWER SAYS MUCH FRAUD IN MISSISSIPPI

Says Much Evidence Has
Been Uncovered Against
the Officials.

IS IN CONFERENCE WITH DETECTIVES

State Suing Cotton Buying
Firm for Three Hundred
Thousand Dollars, Alleg-
ing That With Aid of the
State Officials the State
Was Defrauded of This
Amount.

BY ASSOCIATED PRESS.
New Orleans, Sept. 21.—Gov. Brew-
er of Mississippi is here to confer with
detectives who are investigating the
governor's charges of irregularities in
certain Mississippi institutions. He
said today that strong evidence had
been uncovered and declared that de-
tectives would aid materially in the
case against Boice & Co., the cotton
buyers, whom the state is suing for
\$300,000.

The attorney general charges that
the cotton buyers and the state prison
officials combined to cheat the state in
the sale of the state's cotton. The
investigation required several months.
The governor today said he would
make all the details public when he
called the legislature in special session
soon.

MURPHY WILL BE WITNESS IN SULZER'S TRIAL

Leader of Tammany Hall,
Say Governor's Friends,
Will be Forced to the
Stand in Defense of Him-
self.

Albany, Sept. 21.—Charles F. Mur-
phy, the leader of Tammany Hall,
will be forced to take the stand vir-
tually in his own defense, before the
impeachment trial is over, in the op-
inion of Gov. Sulzer's close friends to-
night. They say the governor will
take the stand and his story will com-
pel the attorneys for the impeach-
ment managers to call the Tammany
leader.

Friends of the governor say nothing
will prevent him from testifying if
his attorneys fail to prevent his
case coming to trial. Sulzer accuses
Murphy of having instigated his im-
peachment. There is a growing spirit
of confidence among the Sulzer ad-
herents. The fact that the board
of managers is trying to pass addi-
tional articles of impeachment they
say shows a weak case.

CUT BY PARCEL POST.

San Francisco, Sept. 21.—Testifying
before the state railroad commission,
which continues its investigation into
the relations between the Southern
Pacific railroad and the Wells-Fargo
Express Company, General Manager
Christiansen, of the latter, declared
that parcel post competition had
caused the company to lose 21.7 per
cent of small packages since the first
of the year, when the government
service was established.

In the same period, he said, the
company's revenue had been reduced
88 per cent and this percentage, he
affirmed, held good for all other ex-
press companies.

SPECIAL TO THE JOURNAL.

Chicago, Sept. 21.—Charles McCor-
mick, who was president of the Un-
derground Construction Company of
Fort Worth, Tex., where he is wanted
on charges of swindling and con-
spiracy to swindle that city, opened a
court fight against regulation today,
when Judge Goodwin, on petition of
McCormick, granted a writ of hab-
eas corpus, returnable next Monday.
He was released on \$2,000 bond.

A requisition for McCormick issued
by Gov. Colquitt of Texas recently,
was honored by Gov. Dunne. Detec-
tive T. W. Wren of Fort Worth was
preparing to return to Texas with his
prisoner today when he was stayed
by Judge Goodwin's writ. Counsel
for McCormick attacked the sufficiency
of the Fort Worth indictment.

THREE VESSELS ARE ADDED TO FISHING FLEET

E. E. Saunders & Co. Buy
Them at Gloucester for
Gulf Fishing

SCHOONERS ARE ALL LARGE ONES

The Nettie Franklin, Maud
Sylvia and Francis V.
Sylvia Are Purchased and
Will Be Sent Around to
Pensacola and Added to
the Already Large Fleet.

Three more large fishing schooners
will be added within a short time to
the already large fleet of E. E. Saun-
ders & Co. They are the Nettie
Franklin, Francis V. Sylvia and Maud
Sylvia, purchased at Gloucester, Mass.,
by Capt. T. E. Welles on his annual
visit to that section.

The vessels are staunch ones and
will be able to do good work in the
gulf, and will give Saunders & Co. by
far the largest fleet of deep sea fish-
ing vessels in the United States. Each
of the schooners is over 85 feet in
length, with a breadth of about 22
feet, sixty net tons and 10.03 depth
of hold. They are about the same
size as the vessels brought around
last year from the Massachusetts
coast.

It is expected that Capt. Frank
Cooney, Sr., will bring the Nettie
Franklin around and have command
of her during the winter months. So
far as known the captains of the other
two vessels have not been selected,
but will be as soon as they are over-
hauled and made ready for the
voyage.

WAS ALIVE WHEN THROWN INTO LAKE

Clothing of Mrs. Charlton, Murdered
By Husband, Under Examination By
Italian Experts.

SPECIAL TO THE JOURNAL.
Como, Italy, Sept. 21.—Experts en-
gaged in the Charlton case have been
making a minute examination of the
clothing worn by Mrs. Porter Charlton
when her body was taken from the
trunk found in Lake Como. The gar-
ments are in a good state of preserva-
tion and various stains thereon have
been subjected to analysis.

The opinion of fifth experts seems to
be that the woman was still alive
when she was cast into the lake.

KING CONSTANTINE WALKS AROUND UNGUARDED.

Paris, Sept. 21.—King Constantine of
Greece walked about the downtown
streets of Paris today in civilian cloth-
ing, attended by only one aide. The
police had taken precautions to guard
him owing to the fears that his re-
marks recently in Berlin concerning
German military science might cause
unpleasant incidents. The King, how-
ever, was not molested. A curious
crowd stared at him when he sat down
to lunch in a public restaurant.

REPUBLICAN BOSSES ARE TURNING TO ROOSEVELT

Philadelphia, Sept. 21.—Friends of
Senator Penrose today came forward
with the statement that while he has
been flayed so unmercifully by former
President Roosevelt, he is willing to
accept Roosevelt as a candidate for
the presidency in 1916. The announce-
ment also is made that not only Pen-
rose but Barnes of New York, Crane
of Mass., and others of the republican
leaders favor such a plan, as in
Roosevelt they think they see the can-
didate able to bring the republican
party back into power.

Of course, the next presidential elec-
tion is three years off but this is the
way the talk goes now.

Had Girls Appear Nude Before Him; Aged Man is Sent to Jail

SPECIAL TO THE JOURNAL.
Milwaukee, Wis., Sept. 21.—Col.
Francis J. Borchardt, sixty-three years
old, a justice of the peace, well known
in national guard and political circles
throughout Wisconsin, today was
sentenced to nine months at the house
of correction by Judge Page for con-
tributing to the delinquency of girls.
Four young girls were in court to tes-
tify, but were not called, because a
plea of guilty was entered.

The girls told District Attorney
Yockey that Justice Borchardt gave
them money, made improper remarks
to them and had them appear nude be-
fore him. No criminal attack was
made on any of them.

Borchardt was a member of the
State assembly for two years, a cap-
tain of the Kosciusko Guard for four-
teen years, a colonel on Gov. Rusk's
staff for five years and a justice of the
peace for fourteen years. He was a
candidate for district judge at the last
election, opposing Judge Page, who to-
day sentenced him.
