## THE CASTLE BUILDER.

I built castles in Dreamland,  
Ages and ages ago;  
When the earth was green and pleasant,  
And the skies were all aglow.  
When the birds were olive in the branches,  
And my heart was light and young,  
And my fervid picture of fancy  
Quickened my brain and tongue.

I built castles in Dreamland,  
Ages and ages ago;  
Hearing the storm-wind speaking,  
Hearing the waters flow.  
I wove cables of cobwebs—  
Out of the thinnest air—  
Temple and tower I fashioned  
And palaces passing fair!

Then was I young and hopeful!  
Nothing I knew of fear,  
And the clouds were wreathes of roses  
That garlanded all my year;  
Too! in the blooming orchards  
Nature and I were kin,  
So I built castles in Dreamland,  
Thinking to dwell therein.

Now I am old and weary;  
My pulse is slender and slow  
And the sky and the heart beneath it  
Have lost their former glow,  
And the castles I built in Dreamland—  
Ages, yes ages, ago,  
Are all that I have to shield me  
From the winter's fury and snow!  
—Arthur Goodenough.

## Admire Babies?

Every normal woman's heart thrills with the thought of possessing a baby. What man can fully perceive the sympathetic understanding and the love that glows in a woman's eyes at the sight of her flesh and blood representative of the tiny infant. Every woman in the joy of coming motherhood should prepare her system for the crisis and the unusual strain. Three generations have found the tried and reliable external application, "Mother's Friend" of the greatest help at such a time. By its daily use throughout the period, the skin of the abdomen is made soft and elastic, the expanding muscles relax naturally and with ease, when baby arrives, and the inflammation of breast glands is soothed. By no chance neglect to obtain this great preparation which science has offered for so many years to expectant mothers. Write the Bradford-Regulator Co., Dept. 1, 273 Lamar Building, Atlanta, Ga., for their helpful and interesting book, "Motherhood and the Baby." It is free and is well worth writing for. No woman should fail to help nature in the severest strain ever put upon her. "Mother's Friend" is procurable from any druggist and is a real help to nature in her glorious work. "Mother's Friend" is absolutely and entirely safe.
