## This 'N That

By Sarah M. Harvey

**THOUGHT FOR TODAY:**  
"A good face is a letter of recommendation. . . a good heart is a letter of credit. . ."

**WE PREPARE FOR FIRST CLASS CITIZENSHIP.** . . As ever, we still maintain that nothing is more IMPORTANT in our preparations for FIRST CLASS Citizenship than the creating and fostering of BETTER RELATIONSHIPS BETWEEN ALL PEOPLE AROUND US. . . Regardless as to how we feel about many things now happening in the South. . . in Mississippi and in Jackson. . . Many of us plan to LIVE AND DIE RIGHT HERE. . . many of us expect to obtain a BETTER AND FULLER LIFE right here in Mississippi. . . We realize however, that the privileges and opportunities that go with 1st Class Citizenship will have to be WON. . . will have to be PREPARED FOR. . . We realize many will come with a better knowledge and understanding of races toward each other. . .

**THROUGH OUR DAILY** actions we must have others to know that we are human beings with AMBITIONS, HOPES AND IDEALS as they have. . . on the other hand we must be HONEST enough to admit that in every race there are many who are fine and decent. . . just as there are many in every race who are undesirable. . . OUR PREPARATIONS must include the cultivation of MUTUAL RESPECT for each other. . . Our cultivation MUST INCLUDE the ability to disagree with and fight against if necessary, those things we feel are hindering our efforts to participate in those privileges and opportunities guaranteed us by the Constitution of These United States. . . but we must also realize that in a free America, every individual has the same rights and privileges. . . we must realize that HATE is not the weapon with which the Negro will win these rights, privileges and opportunities. . . There are two weapons we would recommend MOST HIGHLY. . . ECONOMIC SECURITY and the BALLOT. . . and the few readers whom we have had over these near thirty years will remember that with EVERY ISSUE OF THIS COLUMN. . . we have recommended and pleaded for these weapons. . . The problems that confront our community, state and nation are many. . . we do not give up HOPE. . . we still feel that a Bi-Racial Committee, made up of the best minds of both races. . . facing bad conditions together. . . COULD PLAN TOGETHER TO CORRECT THEM. . .

**WE HOPE THAT** in our excitement over other things, we will not forget the IMPORTANT ELECTIONS that are coming up. . . We have no intention of telling you for whom to VOTE. . . but on our knees we PRAY THAT YOU WILL VOTE. . . Vote for the candidate of your CHOICE. . . but let that choice be based on the records of each candidate, his or her ability to do the most good for all citizens. . . REMEMBER. . . A VOTELESS PEOPLE WILL FOREVER BE A HOPELESS PEOPLE. . . YOUR VOTE may elect or defeat a candidate. . . NO MATTER WHO THE CANDIDATE IS. . . HE WILL RESPECT A VOTE. . .

**OUR DEEP sympathy** is extended to the family of the late JOHN HENRY BROWN, former Jacksonian who has lived in Chicago for many years. . . the husband of Mrs. Leola Gross Brown and son of Mrs. Carrie Brown who makes her home on Deerpark Street here in Jackson. As we understand it, this former Jacksonian died from injuries suffered in an automobile wreck. . . burial was in Chicago. . .

**A BIG THANK YOU** to Mrs. Elizabeth Bankston for the invite to attend the Tea given in her lovely home, Sunday past, by the West Jackson Garden Club. . . of which Mrs. Dora Stubbs is president. . . We always enjoy the beautiful fellowship of this club and ask that we be invited again. Among the special guests were, Mrs. B. R. Jones, President of the Jackson Garden Club Council and Mrs. Geraldine Alexander, Chairman of

the Council's Rules Committee. . . We made pictures, which we hope to show you in our next issue. . .

**FROM THIS TEA** we went on to the Elk's Auditorium to share the pleasure provided by the popular Jackson Professional Beauticians Club, headed by Mrs. Sidney Marshall, as they presented their 1963 Fashion and Talent Tea and selected their "Miss Spirit of Mississippi" contest to vie with delovies throuat the State at their State Meeting to be held in Laurel, this month. . . We have pictures of all the lovely contestants which we will bring to you next week. . .

**COULD GO ON AND ON.** . . but time and space is running out. . . Be seeing you. . . REMEMBER AGAIN. . . GO TO THE COURTHOUSE TODAY AND REGISTER TO BECOME A QUALIFIED VOTER.

## Borden's Golden Vanilla Ice Cream

There is as much difference in ice cream taste as there is difference in ice cream prices. Borden's Golden Vanilla Ice Cream tastes better because Borden's makes it from more costly ingredients - real vanilla flavor, lots of extra cream.
