

Calomel Makes You Sick, Ugh.

"Dodson's Liver Tone" better than calomel and can not salivate.

Calomel loses you a day. You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into the system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50c a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to children because it is perfectly harmless and doesn't gripe. adv

Knoxville Man Has laid crutches aside

Rheumatism and Kidney Affection of Eight Years' Standing Have Entirely Disappeared, He Says.

"Yes, sir, it's a fact, this time last month I was one of the sickest men you ever saw," said Frank Jinks, who lives on the Martin Mill pike, South Knoxville, Tenn., "and today I feel as well and strong as I ever felt in my life."

"I have been suffering from kidney troubles for the past eight years, and the pains in my back at times would almost kill me. When I had those spells I would have to quit work. I have lost as high as three weeks at a time. I also suffered a great deal with rheumatism. About six weeks ago I had it so bad I couldn't walk without crutches. My feet were so swollen I couldn't even put on my shoes. My suffering was terrible, and once or twice it got so bad I cried."

"The doctor seemed unable to give me any relief and his medicine seemed to tear my stomach all to pieces. You do not have to take my word for what I am telling you—there are 20 people who knew of my condition who will tell you the same thing. My case has been the talk of the neighborhood, and everybody is praising the medicine."

"Tanlac has done me so much good I hardly know how to praise it. Only two weeks after I began taking it I was able to lay my crutches aside and I can now walk as good as anybody. Only a few days ago I walked from the race track to the South Knoxville Macadam company, a distance of about four miles. I am now back at work again and can do about as good as anybody. It has not only cured my back and rheumatism, but I feel absolutely well in every way. I simply can't get enough to eat and everything seems to agree with me. My strength has returned also, and I have gained ten pounds in weight. When I go to bed at night I sleep like a child—something I haven't done for months."

"If anybody doubts what I tell them about my case, just tell them to call new phone 1923-B and I will be more than glad to tell them about the wonderful benefit I have received from it. Tanlac is worth its weight in gold and I will always feel grateful for what it has done for me."

Tanlac is sold in Okolona exclusively by W. E. BEARDEN, and in Houlika exclusively by J. W. HOWARD & SON. Adv.

A Medicine for Women

For Forty Years Lydia E. Pinkham's Vegetable Compound has Relieved the Sufferings of Women.

It hardly seems possible that there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

Mrs. Kieso Cured After Seven Month's Illness.

Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was unfit to do my housework, I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman. I do my own housework. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for herself how it is."—Mrs. KARL A. KIESO, 596 North Ave., Aurora, Ill.

Could Hardly Get Off Her Bed.

Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want to try Lydia E. Pinkham's Vegetable Compound.' So I did, and has certainly made me a well woman. I am able to do my housework and am so happy as I never expected to go around the way I do now. I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. JOSIE CORNER, 1668 Harrison Fairmount, Cincinnati, Ohio.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened and answered by a woman and held in strict confidence.
